Vol. 87, No. 142

Tuesday, July 26, 2022

This section of the FEDERAL REGISTER contains regulatory documents having general applicability and legal effect, most of which are keyed to and codified in the Code of Federal Regulations, which is published under 50 titles pursuant to 44 U.S.C. 1510.

The Code of Federal Regulations is sold by the Superintendent of Documents.

DEPARTMENT OF AGRICULTURE

Office of the Secretary

7 CFR Parts 1 and 2

RIN 0503-AA68

Delegations of Authority

AGENCY: Office of the Secretary, USDA.

ACTION: Final rule.

SUMMARY: This document revises the delegations of authority from the Secretary of Agriculture and general officers of the Department of Agriculture (USDA) to reflect changes and additions to the delegations as summarized below. This rule also amends the scope and applicability of the rules of practice governing formal adjudicatory hearings to include actions initiated under the National Forest Roads and Trails Act.

DATES: Effective July 26, 2022.

FOR FURTHER INFORMATION CONTACT: Melissa McClellan, Office of the General Counsel, (202) 720-5565, melissa.mcclellan@usda.gov.

SUPPLEMENTARY INFORMATION:

Overview of Changes

A. Realignment of the Office of Tribal Relations

This rule amends the delegations of authority in 7 CFR part 2 to reflect the realignment of the Office of Tribal Relations (OTR) from a staff office within the Office of Partnerships and Public Engagement (OPPE) to a staff office whose head reports directly to the Secretary of Agriculture (Secretary). See Secretary's Memorandum 1077-002 (June 24, 2021), available at <https://www.ocio.usda.gov/document/secretarys-memorandum-1077-002>. The rule relocates the delegations of authority to the Director of OTR from § 2.701 in Subpart V to § 2.39 in Subpart D and removes the delegations of authority to the Director of OPPE related to the Office of Tribal Relations.

B. Realignment of the Office of the Executive Secretariat

This rule amends the delegations of authority in 7 CFR part 2 to reflect the realignment of the Office of the Executive Secretariat (OES). See Secretary's Memorandum 1076-06 (Aug. 14, 2020), available at <https://www.ocio.usda.gov/document/secretarys-memorandum-1076-036>. Pursuant to this realignment, the Departmental directives and forms functions previously assigned to the Director of OES have been reassigned to the Director of the Office of Budget and Program Analysis (OBPA). In addition, the Departmental records management functions previously assigned to the Director of OES have been reassigned to the General Counsel. Further, the rule revises the delegations of authority to reflect that the Director of OES and the Secretarial correspondence management function and support for the Immediate Office of the Secretary have been removed from the supervision of the Assistant Secretary for Administration (ASA) and now reside in the Office of the Secretary. To reflect the move of the Director of OES from the Departmental Administration mission area to the Office of the Secretary, this rule redesignates the delegations to the Deputy Secretary at § 2.15 to reserved § 2.14, moves the delegations of authority to the Under Secretary for Trade and Foreign Agricultural Affairs (TFAA) from § 2.26 to § 2.15, and moves the delegations of authority to the Director of OES from § 2.97 to § 2.26. This rule moves § 2.26 to Subpart D, Delegations of Authority to Other General Officers and Agency Heads, and amends the cross-references to the delegations of authority to the Under Secretary for TFAA in §§ 2.22, 2.600, 2.601, and 2.602.

C. Additional Delegations Under the Agriculture Improvement Act of 2018

Section 7611 of the Agriculture Improvement Act of 2018 ("the Act"), Public Law 115-334, renamed the Agriculture Conservation Experienced Services (ACES) program authorized under section 1252 of the Food Security Act of 1985 (16 U.S.C. 3851) the "Experienced Services Program" and expanded the authority to cover technical, professional, and administrative services to support the Research, Education, and Economics

(REE) mission area of the Department. A previous rule implementing the Act added new delegations for the expanded program authority to the Under Secretary for REE and to the Director of NIFA. See, Revision of Delegations of Authority, 85 FR 65500-01 (Oct. 15, 2020). This rule revises the delegations of authority to reflect that the Experienced Services Program authority has been further assigned to the Administrators of the Agricultural Research Service (ARS), the Economic Research Service (ERS), and the National Agricultural Statistics Service (NASS).

Section 8642 of the Act (7 U.S.C. 7655c) established a new authority for the Secretary to carry out activities related to performance-driven research and development, education, and technical assistance for the purpose of facilitating the use of innovative wood products in wood building construction, including the authority to make competitive grants to institutions of higher education. This rule revises the delegations of authority to the Chief of the Forest Service, through the Under Secretary for Natural Resource and Environment (NRE), to include the authority under 7 U.S.C. 7655c, as previously assigned in Secretary's Memorandum 1076-030 (July 1, 2019), available at <https://www.ocio.usda.gov/document/secretarys-memorandum-1076-030>.

D. Service First Initiative

The "Service First" initiative, codified at 43 U.S.C. 1703, authorizes the Secretary of Agriculture and the Secretary of the Interior to establish joint projects, co-locate in facilities, and make reciprocal delegations of authority to promote customer service and efficiency. Although initially limited to land management agencies, Congress amended the authority in 2014 to make it available to all bureaus or offices of USDA and the Department of the Interior. This rule extends the Service First authority to the Under Secretary for Farm Production and Conservation (FPAC), following an initial delegation in a Secretary's Memorandum issued January 4, 2021.

E. Miscellaneous Revisions to Part 2

Section 5 of the Department of Agriculture Organic Act of 1956 (7 U.S.C. 2228) authorizes the Department to furnish subsistence to employees

without consideration as, or deduction from, the compensation of such employees where warranted by emergency conditions connected with the work of the Department under regulations prescribed by the Secretary. This rule revises the delegations of authority to the Under Secretary for NRE and the Chief of the Forest Service to confirm that this Departmental authority is available to the Forest Service. Further, this revision to the published delegations confirms the existing authority of the Forest Service to provide subsistence, including quarters and meals, to agency personnel in emergency conditions, such as wildland firefighters, in a manner that takes into account health and safety requirements resulting from the COVID-19 pandemic and other such emergencies.

This rule also modifies the existing delegation of authority from the Under Secretary for NRE to the Chief of the Forest Service at § 2.60 concerning the authority to acquire land under the Weeks Act and special forest receipts acts. The revision streamlines the land acquisition process by removing the exception, for acquisitions of \$250,000 in value or greater, to the Chief's delegation of authority to approve such acquisitions and by eliminating the corresponding reservation of authority by the Under Secretary for NRE to approve such land acquisitions.

In addition, this rule makes general updates to the delegations to the Director of the Office of Homeland Security in § 2.95 and the related delegations to the Assistant Secretary for Administration (ASA) in § 2.24(a)(8). The rule moves the delegations to the ASA related to physical security and safety of personnel from 2.24(a)(8) to a new paragraph (a)(11) to reflect that these delegations are further assigned to the Office of Safety, Security, and Protection. This rule also corrects an internal citation in a delegation to the Under Secretary for NRE.

This rule makes revisions throughout Part 2 to reflect the name change of the former Office of Property and Fleet Management to the Office of Environmental Management. See Secretary's Memorandum 1077-001 (March 26, 2021), available at <https://www.ocio.usda.gov/document/secretarys-memorandum-1076-037>.

This rule further amends the existing delegations to the Under Secretary for FPAC and the Administrator of the Farm Service Agency (FSA) under 7 U.S.C. 2204b(b)(4) to enter into cooperative agreements related to outreach and technical assistance for FSA programs, as previously

implemented in Secretary's Memorandum 1077-003 (July 26, 2021) available at <https://www.ocio.usda.gov/document/secretarys-memorandum-1077-003>.

F. Addition of National Forest Roads and Trails Act to USDA's Rules of Practice

In addition to the revisions to Part 2, this rule also amends the scope of and applicability of USDA's rules of practice for formal adjudicatory hearings at 7 CFR part 1, subpart H, to include proceedings under the National Forest Roads and Trails Act (FRTA) (16 U.S.C. 534). FRTA requires a formal adjudicatory proceeding for revocation of easements for nonuse, provided the holder requests one within 60 days of receipt of the notice of revocation. Revising 7 CFR 1.131 to add FRTA to the list of statutory provisions does not require public notice and comment as it is a technical, non-discretionary change to comply with statutory law.

Classification

This rule relates to internal agency management. Accordingly, pursuant to 5 U.S.C. 553, notice of proposed rulemaking and opportunity for comment are not required, and this rule may be made effective less than 30 days after publication in the **Federal Register**. This rule also is exempt from the provisions of Executive Orders 12866 and 13771. This action is not a rule as defined by the Regulatory Flexibility Act, as amended by the Small Business Regulatory Enforcement Fairness Act of 1996, 5 U.S.C. 601 *et seq.*, or the Congressional Review Act, 5 U.S.C. 801 *et seq.*, and thus is exempt from the provisions of those acts. This rule contains no information collection or recordkeeping requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

(C) Oversee Department continuity of operations and emergency relocation facility planning, development, equipping, and preparedness to ensure that resources are in a constant state of readiness.

(xvii) Establish procedures to prevent unnecessary access to classified national security information (CNSI) including procedures that require that need for access to CNSI is established before initiating security clearance procedures; and ensure that the number of persons granted access CNSI is limited to the minimum consistent with operational and security requirements:

(A) Direct and administer USDA's CNSI program pursuant to E.O. 13526, "Classified National Security Information" (75 FR 707, 3 CFR, 2010 Comp., p. 298), or subsequent orders.

(B) Establish and maintain Information Security policies and procedures for classifying, declassifying, safeguarding, and disposing of CNSI and materials.

(C) Investigate or delegate authority to investigate any potential compromises of CNSI and take corrective action for violations or infractions under section 5.5(b), of E.O. 13526 or any subsequent order.

(D) Develop and maintain oversight of all facilities throughout USDA where CNSI is or will be safeguarded, discussed, or processed including sole authority to liaison with the Central Intelligence Agency concerning guidance, approval, requirements, and oversight of USDA secure facilities.

(xviii) Control within USDA the acquisition, use, and disposal of material and equipment that can be a source of ionizing radiation.

(A) Promulgate policies and procedures for ensuring the safety of USDA employees, the public, and the environment resulting from USDA's use of ionizing radiation sources.

(B) Maintain and ensure compliance with the Nuclear Regulatory Commission regulations (Title 10, Code of Federal Regulations) and license(s) issued to USDA for the acquisition, use, and disposal of radioactive materials.

(xix) Provide administrative supervision to the unit that grants, denies, or revokes security clearances for USDA employees and contractors.

* * * * *

(11) *Related to safety, security, and protection.* (i) Promulgate Departmental policies, standards, techniques, and procedures; and represent the Department in maintaining the security of physical facilities and providing security guidance to the Food and Agricultural Sector nationwide. This includes the following activities:

(A) Lead and coordinate the development and maintenance of a mission critical facility inventory with agency involvement to ensure proper security countermeasures are implemented in the Department's most critical infrastructure.

(B) Provide guidance to USDA agencies in matters of physical security through use of physical security assessments and development of mitigation strategies.

(C) Conduct physical security investigations and compliance reviews Department-wide.

(D) Review and provide coordinated technical physical security assessments for all new construction of laboratories, data centers, germplasm repositories, and other mission critical infrastructure during the design phase, and all leased facilities prior to contract award.

(E) Oversee and manage physical security aspects of the Common Identification Card (LincPass) Program to ensure National Institute of Standards and Technology (NIST) and General Services Administration (GSA) compliancy within the National Capital Region and the physical access to USDA facilities.

(F) Provide enterprise connectivity to agency physical access control systems that provide cost leveraging and provisioning/de-provisioning nationwide.

(ii) Promulgate Departmental regulations, standards, techniques, and procedures and represent the Department in managing and maintaining a comprehensive physical and technical security program including access control, management of special police officer and guard services, executive driving, parking, ID badging in accordance with HSPD-12, occupant emergency and warden services at the USDA Headquarters

Complex, George Washington Carver Center and, in coordination with GSA, USDA leased facilities in the Washington, DC metropolitan area, as well as at emergency relocation sites and certain critical facilities specified by the Assistant Secretary for Administration.

(iii) Carry out protection operations for the Secretary, Deputy Secretary, and other individuals as specified in Section 12520 of the Agriculture Improvement Act of 2018, including by authorizing law enforcement officers or special agents to carry firearms; conduct criminal investigations into potential threats to the security of individuals protected under Section 12520; make arrests without a warrant for any offense against the United States committed in the presence of the law enforcement officer or special agent; perform protective intelligence work, including identifying and mitigating potential threats and conducting advance work to review security matters relating to sites and events; and coordinate with local law enforcement authorities (7 U.S.C. 2279k).

NUCLEAR REGULATORY COMMISSION

10 CFR Part 72

[NRC–2022–0105]

RIN 3150–AK84

List of Approved Spent Fuel Storage Casks: Holtec International HI–STORM Flood/Wind Multipurpose Canister Storage System, Certificate of Compliance No. 1032, Amendment No. 8

AGENCY: Nuclear Regulatory Commission.

ACTION: Direct final rule.

SUMMARY: The U.S. Nuclear Regulatory Commission (NRC) is amending its spent fuel storage regulations by revising the Holtec International HI–STORM Flood/Wind Multipurpose Canister Storage System listing within the “List of approved spent fuel storage casks” to include Amendment No. 8 to Certificate of Compliance No. 1032. Amendment No. 8 revises the description in the certificate of compliance for the Holtec International HI–STORM Flood/Wind system to clearly indicate that only the portions of the components that contact the pool water need to be made of stainless steel or aluminum. Amendment No. 8 also incorporates other minor editorial corrections.

DATES: This direct final rule is effective October 11, 2022, unless significant adverse comments are received by August 25, 2022. If this direct final rule is withdrawn as a result of such comments, timely notice of the withdrawal will be published in the **Federal Register**. Comments received after this date will be considered if it is

practical to do so, but the NRC is able to ensure consideration only for comments received on or before this date. Comments received on this direct final rule will also be considered to be comments on a companion proposed rule published in the Proposed Rules section of this issue of the **Federal Register**.

ADDRESSES: Submit your comments, identified by Docket ID NRC–2022–0105, at <https://www.regulations.gov>.
