Recertification of Cook Inlet Regional Citizens' Advisory Council**AGENCY:** Coast Guard, DHS.**ACTION:** Notice of recertification.

SUMMARY: The Coast Guard announces the recertification of the Cook Inlet Regional Citizens' Advisory Council (CIRCAC) as an alternative voluntary advisory group for Cook Inlet, Alaska. This certification allows the CIRCAC to monitor the activities of terminal facilities and crude oil tankers under the Cook Inlet Program established by the Oil Terminal and Oil Tanker Environmental Oversight and Monitoring Act of 1990.

DATES: This recertification is effective for the period from September 1, 2021 through August 31, 2022.

FOR FURTHER INFORMATION CONTACT: For information about this document, call or email LT Lauren Bloch, Seventeenth Coast Guard District (dpi), by phone at (907) 463-2812 or email at Lauren.E.Bloch@uscg.mil.

SUPPLEMENTARY INFORMATION:**Background and Purpose**

The Coast Guard published guidelines on December 31, 1992 (57 FR 62600), to assist groups seeking recertification under the Oil Terminal and Oil Tanker Environmental Oversight and Monitoring Act of 1990 (33 U.S.C. 2732) (the Act). The Coast Guard issued a policy statement on July 7, 1993 (58 FR 36504), to clarify the factors that the Coast Guard would be considering in making its determination as to whether advisory groups should be certified in accordance with the Act, and the procedures which the Coast Guard would follow in meeting its certification responsibilities under the Act.

Most recently, on September 16, 2002 (67 FR 58440), the Coast Guard changed its policy on recertification procedures for regional citizen's advisory council by requiring applicants to provide comprehensive information every three years. For each of the two years between the triennial application procedures, applicants submit a letter requesting recertification that includes a description of any substantive changes to the information provided at the

previous triennial recertification. Further, public comment is only solicited during the triennial comprehensive review.

Recertification

By letter dated August 27, 2021, the Commander, Seventeenth Coast Guard District, certified that the CIRCAC qualifies as an alternative voluntary advisory group under 33 U.S.C. 2732(o). This recertification terminates on August 31, 2022.

Dated: August 27, 2021.

Nathan A. Moore,

Rear Admiral, U.S. Coast Guard, Commander, Seventeenth Coast Guard District.

Agency Information Collection Activities: Submission for OMB Review; Comment Request; Fire Management Assistance Grant Program

AGENCY: Federal Emergency Management Agency, Department of Homeland Security.

ACTION: 30 Day notice of renewal and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA) will submit the information collection abstracted below to the Office of Management and Budget for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995. The submission will describe the nature of the information collection, the categories of respondents, the estimated burden (*i.e.*, the time, effort and resources used by respondents to respond) and cost, and the actual data collection instruments FEMA will use.

DATES: Comments must be submitted on or before November 19, 2021.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the information collection should be made to Director, Information Management Division, 500 C Street SW, Washington, DC 20472, email address FEMA-Information-Collections-Management@fema.dhs.gov or Antonio Jones, FMAG Program Specialist, Office of Response & Recovery, FEMA, at antonio.jones@fema.dhs.gov or (540) 320-1928.

SUPPLEMENTARY INFORMATION: This proposed information collection previously published in the **Federal Register** on February 24, 2021, at 86 FR 11318 with a 60-day public comment period. Three comments were received during that period and one comment (FEMA-2021-0006-0002) was not germane. The other two comments (FEMA-2021-0006-0003 and FEMA-2021-0006-0004) recommended that FEMA discontinue the Fire Management Assistance Grant Program (FMAGP). FEMA has considered these comments, but declines to make any changes to the FMAGP as a result of it. The FMAGP was established under Section 420 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (Stafford Act), 42 U.S.C 5187, as amended by § 303 of the Disaster Mitigation Act of 2000, which authorizes the President to provide assistance to any state or local government for the mitigation, management, and control of any fire on public or private forest land or grassland that threatens such destruction as would constitute a major disaster. FEMA has implemented this program through 44 CFR part 204. Absent a change to the Stafford Act, FEMA will continue implementing the FMAGP. Moreover, discontinuing this program would negatively impact many Regions and states that receive grant funding under this program for disaster recovery purposes. The purpose of this notice is to notify the public that FEMA will submit the information collection abstracted below to the Office of Management and Budget for review and clearance.
