

Dated: September 23, 2021.

Peter A. Winn,

*Acting Chief Privacy and Civil Liberties
Officer, United States Department of Justice.*

[FR Doc. 2021-21340 Filed 9-30-21; 8:45 am]

BILLING CODE P

DEPARTMENT OF DEFENSE

Office of the Secretary

32 CFR Part 323

[Docket ID: DOD-2019-OS-0110]

RIN 0790-AK69

Defense Logistics Agency Privacy Program

AGENCY: Defense Logistics Agency, Department of Defense (DoD).

ACTION: Final rule.

SUMMARY: This final rule removes DoD's regulation concerning the Defense Logistics Agency Privacy Program. On April 11, 2019, the Department of Defense published a revised DoD-level Privacy Program rule, which contains the necessary information for an agency-wide privacy program regulation under the Privacy Act and now serves as the single Privacy Program rule for the Department. That revised Privacy Program rule also includes all DoD component exemption rules. Therefore, this part is now unnecessary and may be removed from the CFR.

DATES: This rule is effective on October 1, 2021.

FOR FURTHER INFORMATION CONTACT: Lew Oleinick at 703-767-6194.

SUPPLEMENTARY INFORMATION: DoD now has a single DoD-level Privacy Program rule at 32 CFR part 310 (84 FR 14728) that contains all the codified information required for the Department. The Defense Logistics Agency Program regulation at 32 CFR part 323, last updated on July 9, 2015 (80 FR 39381), is no longer required and can be removed.

It has been determined that publication of this CFR part removal for public comment is impracticable, unnecessary, and contrary to public interest since it is based on the removal of policies and procedures that are either now reflected in another CFR part, 32 CFR part 310, or are publicly available on the Department's website. To the extent that the Defense Logistics Agency internal guidance concerning the implementation of the Privacy Act within the Defense Logistics Agency is necessary, it will be issued in an internal document.

This rule is one of 20 separate component Privacy rules. With the finalization of the DoD-level Privacy rule at 32 CFR part 310, the Department is eliminating the need for this separate component Privacy rule and reducing costs to the public as explained in the preamble of the DoD-level Privacy rule published on April 11, 2019, at 84 FR 14728.

This rule is not significant under Executive Order 12866, "Regulatory Planning and Review."

List of Subjects in 32 CFR Part 323

Privacy.

PART 323—[REMOVED]

■ Accordingly, by the authority of 5 U.S.C. 301, 32 CFR part 323 is removed.

Dated: September 27, 2021.

Aaron T. Siegel,

*Alternate OSD Federal Register Liaison
Officer, Department of Defense.*

BILLING CODE 5001-06-P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG-2021-0201]

RIN 1625-AA00

Safety Zone; Columbia River Outfall Project, Columbia River, Vancouver, WA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for certain navigable waters of the Columbia River. This action is necessary to provide for the safety of life on these navigable waters near Knapp, WA, at Columbia River Mile 95.8. This regulation prohibits persons and vessels from being in the safety zone unless authorized by the Captain of the Port Sector Columbia River or a designated representative.

DATES: This rule is effective from 12:01 a.m. on October 1, 2021 through 11:59 p.m. on March 15, 2022.

ADDRESSES: To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG-2021-0201 in the search box and click "Search." Next, in the Document Type column, select "Supporting & Related Material."

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email LCDR Sean Morrison, Waterways Management Division, Marine Safety Unit Portland, U.S. Coast Guard; telephone 503-240-9319, email D13-SMB-MSUPortlandWWM@uscg.mil.

II. Background Information and Regulatory History

On November 18, 2020, the Discovery Clean Water Alliance notified the Coast Guard that it would begin construction on the Phase 5A Project: Columbia River Outfall and Effluent Pipeline from 12:01 a.m. on October 1, 2021 through 11:59 p.m. on March 15, 2022, to remove and replace existing pipeline. The construction project includes the removal and replacement of an existing navigation marker (3-pile dolphin), installation of a 48" pipeline in the riverbed outside the navigation channel, and removal of an existing 30" pipeline from the riverbed. The scope of work may include the need to construct temporary pile-supported work platforms, or dredge, to access shallow water areas. Lighted barges will be used in deeper water. The Captain of the Port Sector Columbia River (COTP) has determined that potential hazards associated with the construction project would be a safety concern for anyone within the designated area of the Columbia River Outfall and Effluent Pipeline construction project. In response, on August 28, 2021 the Coast Guard published a notice of proposed rulemaking (NPRM) titled Safety Zone; Columbia River Outfall Project, Columbia River, Vancouver, WA (86 FR 47611). There we stated why we issued the NPRM, and invited comments on our proposed regulatory action related to this safety zone. During the comment period that ended September 10, 2021 we received no comments.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable because immediate action is needed to respond to the potential safety hazards associated with the Columbia River Outfall Projects.
