BILLING CODE 4000-01-P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket Nos. ER05-1202-000 and ER05-1202-001]

Blue Canyon Windpower II LLC; Notice of Issuance of Order

September 27, 2005.

Blue Canyon Windpower II LLC (Blue Canyon) filed an application for market-based rate authority, with an accompanying rate tariff. The proposed rate tariff provides for the sales of energy and the reassignment of transmission capacity. Blue Canyon also requested waiver of various Commission regulations. In particular, Blue Canyon requested that the Commission grant blanket approval under 18 CFR Part 34 of all future issuances of securities and assumptions of liability by Blue Canyon.

On September 27, 2005, pursuant to delegated authority, the Director, Division of Tariffs and Market Development—South, granted the request for blanket approval under Part 34. The Director's order also stated that the Commission would publish a separate notice in the **Federal Register** establishing a period of time for the

filing of protests. Accordingly, any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by Blue Canyon should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. 18 CFR 385.211, 385.214 (2004).

Notice is hereby given that the deadline for filing motions to intervene or protests is October 27, 2005.

Absent a request to be heard in opposition by the deadline above, Blue Canyon is authorized to issue securities and assume obligations or liabilities as a guarantor, indorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of Blue Canyon, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of Blue Canyon's issuances of securities or assumptions of liability.

Copies of the full text of the Director's Order are available from the Commission's Public Reference Room, 888 First Street, NE., Washington, DC 20426. The Order may also be viewed on the Commission's Web site at <http://www.ferc.gov>, using the eLibrary link. Enter the docket number excluding the last three digits in the docket number filed to access the document. Comments, protests, and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site under the "e-Filing" link. The Commission strongly encourages electronic filings.

Magalie R. Salas,

Secretary.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket Nos. ER02-1656-000 and ER02-1656-026]

California Independent System Operator Corporation; Notice of Deadlines for Comments and Reply Comments

September 23, 2005.

On September 13, 2005, Federal Energy Regulatory Commission staff convened a technical conference to explore tariff issues related to demand response options, including special case nodal pricing and the establishment of zones for wholesale customers, in accordance with the directive of the July 1, 2005 Order on Further Amendments to the California Independent System Operator's Comprehensive Market Redesign Proposal.¹ As stated at the technical conference, comments concerning the issues discussed at the technical conference are due on September 27, 2005, and reply comments are due on October 4, 2005.
