Activities: Proposed Collection;
Comments Requested

ACTION: 30-Day Notice of Information Collection Under Review: Extension of a Currently Approved Collection; Annual Firearms Manufacturing and Exportation Report under 18 U.S.C. Chapter 44, Firearms.

The Department of Justice (DOJ), Bureau of Alcohol, Tobacco, Firearms and Explosives has submitted the following information collection request to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995. The proposed information collection is published to obtain comments from the public and affected agencies. This proposed information collection was previously published in the **Federal Register**, Volume 68, Number 74, page 19010 on April 17, 2003, allowing for a 60-day comment period.

The purpose of this notice is to allow for an additional 30 days for public comment until August 8, 2003. This process is conducted in accordance with 5 CFR 1320.10

Written comments and/or suggestions regarding the items contained in this notice, especially the estimated public burden and associated response time, should be directed to The Office of Management and Budget, Office of Information and Regulatory Affairs, Attention Department of Justice Desk Officer, Washington, DC 20503, or facsimile (202) 395-5806.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who

are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection
