International Trade Administration

U.S. Multi-Sector Trade Mission to South India and Sri Lanka

AGENCY: International Trade Administration, Department of Commerce.

ACTION: Amendment to Notice.

SUMMARY: The United States Department of Commerce, International Trade Administration, U.S. and Foreign Commercial Service is amending the Notice published at 77 FR 48499, August 14, 2012, regarding the U.S. Multi-Sector Trade Mission to South India and Sri Lanka Chennai and Cochin, India and Colombo, Sri Lanka February 3–8, 2013, to add to the targeted sector architecture services related to development of the residential and mixed use, tourism, and healthcare sectors, and encourage applications from U.S. exporters in those sub-sectors. Except as specified herein, all other information in the August 14, 2012 Notice, including the November 30, 2012 application deadline, remains unchanged.

SUPPLEMENTARY INFORMATION:

Background

The rapid growth of the Indian economy (averaging 8% over the past 10 years, though down as low as 6.4% recently) has created a pressing need for housing, hotel and healthcare infrastructure development and the country requires significant outside expertise to meet its ambitious targets. Additionally, Sri Lanka, after years of internal strife and conflicts, is poised to attract 2.5 million tourist arrivals by 2016 and the industry estimates it will need an additional 40,000 rooms in the next five years to achieve this target. The U.S. Department of Commerce, International Trade Administration, U.S. and Foreign Commercial Service anticipates that this current growth and increasing demand in the infrastructure, hospitality and healthcare sectors will provide opportunities for U.S. architecture service companies to expand and grow in these areas, and is therefore amending the mission

statement for the U.S. Multi-Sector Trade Mission to Chennai and Cochin, India and Colombo, Sri Lanka February 3–8, 2013, to add the architecture services as described below to the list of targeted sectors for this mission, which also includes infrastructure, hospitality, healthcare, and environmental and information technologies.

Amendments

For the reasons stated above, the Mission Description section of the amended Notice published at 77 FR 48499, August 14, 2012, regarding the U.S. Multi-Sector Trade Mission to South India and Sri Lanka Chennai and Cochin, India and Colombo, Sri Lanka February 3–8, 2013, are amended as follows:

1. Under Mission Description, after “expanding markets”, add the following text:

Architecture Services Sub-Sectors

- Tourism
- Hospital and Healthcare
- Residential and Mixed-Use

2. Under Commercial Setting Chennai India, replace “Chennai possesses a broad need for all building types, but corporate campuses, education, housing, infrastructure, and master-planning efforts are the most active development sectors.”, with the following text:

Chennai possesses a broad need for all building types, especially for residential development, tourism and health facilities. The Chennai real estate market has been growing at over 8 per cent a year and there are at least 675 real estate projects underway and 43.5 million square feet of area is awaiting approval for development with the local government. The residential real estate market is expected to register strong growth in 2012, primarily on account of improvement in the information technology (IT) sector, and continued economic growth in the region. Additionally, the SCMS Group, a Kochi-based academic house, plans to develop an academic complex in the Smart City campus with an investment of over \$10 million.

3. Under Commercial Setting Colombo Sri Lanka, after “With the return of peace, sectors such as construction, telecommunications, tourism and transportation offer enormous opportunities for U.S. companies.”, add the following text:

The Urban Development Authority, a state agency, has plans to develop many areas of Colombo for tourism, housing, leisure and entertainment. A prime location in Colombo close to several five star hotels and adjoining a lake is

earmarked for hotels, restaurants, malls, casinos and other leisure activities. A leading local company has developed plans to convert the Colombo Fort area to an entertainment and leisure district and has plans to attract leading international brands and franchises to this major entertainment and shopping hub. A marina with water sports activities is also planned. The UDA is also implementing projects in the south and north central areas of the country as well. The UDA is under the authority of the Ministry of Defense.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Proposed Information Collection; Comment Request; Coastal Zone Management Act Walter B. Jones and NOAA Excellence Awards

AGENCY: National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

DATES: Written comments must be submitted on or before November 30, 2012.

ADDRESSES: Direct all written comments to Jennifer Jessup, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6616, 14th and Constitution Avenue NW., Washington, DC 20230 (or via the Internet at Jjessup@doc.gov).

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the information collection instrument and instructions should be directed to Patmarie Nedelka, (301) 713-3155 ext. 127 or Patmarie.Nedelka@noaa.gov.

SUPPLEMENTARY INFORMATION:**I. Abstract**

This request is for extension of a currently approved information collection. The 1990 reauthorization of the Coastal Zone Management Act (CZMA) authorized an awards program to “implement a program to promote excellence in coastal zone management by identifying and acknowledging outstanding accomplishments in the field.” As authorized in Section 314 of the CZMA, the Walter B. Jones Memorial Awards recognize three categories of excellence: Coastal Steward of the Year, Excellence in Local Government, and Excellence in Coastal and Marine Graduate Study. The CZMA authorizes NOAA to conduct public ceremonies to acknowledge such awards, which allows NOAA to fund invitational travel and purchase awards for the Jones Awards.

In conjunction with the Walter B. Jones Memorial Awards, NOAA instituted several additional categories of awards, to recognize additional contributions to ocean and coastal resource management, including Volunteer of the Year, Nongovernmental Organization of the Year, Excellence in Promoting Cultural and Ethnic Diversity (in honor of Secretary Ronald Brown), Excellence in Business Leadership, and the Susan Snow Cotter Award for Excellence in Ocean and Coastal Resource (NOAA re-named this award in honor of Susan Snow Cotter in 2007).

As part of conducting the awards program, NOAA will distribute a “Call for Nominations” to representatives from Federal, state, local and nongovernmental organizations and Members of Congress that work in, are knowledgeable of or benefit from, ocean and coastal resource management.

II. Method of Collection

Respondents may submit their nominations by direct mail, email, and fax; however, email is the preferred method.

III. Data

OMB Control Number: 0648-0598.
Form Number: None.

Type of Review: Regular submission (extension of a current information collection).

Affected Public: Federal government; state, local, or tribal governments; not-for-profit institutions.

Estimated Number of Respondents: 25.

Estimated Time per Response: Prepare nomination package, 30 minutes.

Estimated Total Annual Burden Hours: 13.

Estimated Total Annual Cost to Public: \$0 in recordkeeping/reporting costs.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information renewal is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: September 26, 2012.
