

necessary or appropriate in furtherance of the purposes of the Act, as amended.⁵ BX notes that it operates in a highly competitive market in which market participants can readily favor over 40 different competing exchanges and alternative trading systems if they deem fee levels at a particular venue to be excessive, or rebate opportunities available at other venues to be more favorable. In such an environment, BX must continually adjust its fees to remain competitive with other exchanges and with alternative trading systems that have been exempted from compliance with the statutory standards applicable to exchanges. Because competitors are free to modify their own fees in response, and because market participants may readily adjust their order routing practices, BX believes that the degree to which fee changes in this market may impose any burden on competition is extremely limited. In this instance, the increases with respect to certain orders coupled with the easier to qualify for pricing tier for members active in the Exchange's cash equities market enhances the Exchange's competitiveness by reducing fees for some and raising fees modestly for others. Moreover, because there are numerous competitive alternatives to the use of the Exchange, it is likely that BX will lose market share as a result of the changes if they are unattractive to market participants. Accordingly, BX does not believe that the proposed changes will impair the ability of members or competing order execution venues to maintain their competitive standing in the financial markets.

SUMMARY: The Small Business Administration (SBA) intends to update the SBA Model Form of Agreement of Limited Partnership for an SBIC Issuing Debentures Only (the Model) to conform its contents to current industry norms and practices while maintaining the regulatory and policy provisions necessary to ensure that the Model remains consistent with SBA's requirements and to minimize the risk of loss in the SBIC program. SUPPLEMENTARY INFORMATION: The Small Business Investment Company (SBIC) Program is one of the financial assistance programs available through SBA. The SBIC Program was established under the Small Business Investment Act of 1958, as amended. SBICs are privately owned and managed investment funds, licensed and regulated by SBA, that use their own capital plus funds borrowed with an SBA guarantee to make equity and debt investments in qualifying small businesses.

The License Application for a Small Business Investment Company (SBA Form 2183) requires an applicant to submit, among other things, its organizational documents. Since the majority of applicants to the SBIC program are formed as limited partnerships, most applicants submit their limited partnership agreement as part of their application. The original version of the Model was developed in 2000 to assist applicants in producing a limited partnership agreement suitable for an SBIC and to facilitate this process by including provisions required by the regulations governing the SBIC Program (13 CFR Part 107) and other SBA policy requirements designed to minimize the risk of loss to SBA in providing financial assistance to SBICs. The SBA Model Form of Agreement of Limited Partnership for an SBIC Issuing Debentures Only is available at <http://www.sba.gov/content/model-partnership-agreement>. To further assist applicants, the required provisions are shown in the Model in bold Arial typeface. Applicants to the SBIC Program are not required to use the Model and are permitted to submit any form of limited partnership agreement; however, those applicants that do not use the Model must either include in their limited partnership agreement the bold Arial typeface provisions from the Model or attach an annex to their limited partnership agreement with the bold Arial typeface provisions from the Model. As a result, for many applicants, the Model provides an efficient tool in

preparing a limited partnership agreement.

Since the Model was developed in 2000, changes have occurred both in the structure and operation of limited partnerships and in the venture capital industry. SBA is soliciting comments and recommendations from the public on updating the Model and will consider such comments when revising it. The SBA will not issue another notice in the **Federal Register** but will post the final revised version of the Model on the SBIC Web site at <http://www.sba.gov/category/lender-navigation/sba-loan-programs/sbic-program-0>.

Authority: 15 U.S.C. 681.

Dated: April 17, 2014.

Associate Administrator for Investment and Innovation.
