Title and OMB Number: National Voter Registration Act (NVRA) Regulations for Voter Registration Application; OMB Number 3265–0015.

Needs and Uses: Persons wishing to register to vote may use the National Mail Voter Registration form ("Federal form" or "form") to apply for voter registration. The Federal form is composed of the registration application, instructions for completing the application (General Instructions

and Application Instructions), and state-specific instructions that identify each state's particular requirements. A copy of the current form in English and 20 additional translated languages is available on EAC's website, at <https://www.eac.gov/voters/national-mail-voter-registration-form>.
