SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in section A.

The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on January 6, 2023 at 88 FR 1088.

A. Overview of Information Collection

Title of Information Collection: Single Family Premium Collections Subsystem-Upfront.

OMB Approval Number: 2502-0423.

OMB Expiration Date: April 30, 2023.

Type of Request: Revision.

Description of the need for the information and proposed use: SFPCS—U strengthens HUD's ability to manage

and process upfront single-family mortgage insurance premium collections and corrections to submit data. It also improves data integrity for the Single Family Mortgage Insurance Program. FHA approved lenders use Automated Clearing House (ACH) applications for all transmissions with SFPCS-U. The collection of information is used to update HUD's Single Family Insurance System. The information collection is also used in calculating refunds due to former FHA mortgagors when they apply for homeowner refunds of the unearned portion of the mortgage insurance premium, 24 CFR 203.283, as appropriate. Without this information the premium collection/monitoring process would be severely impeded, and program data would be unreliable. In general, lender respondents use the ACH applications to remit the upfront premium through SFPCS-U to obtain mortgage insurance for the homeowner.

Respondents: Business or other for profit.

Estimated Number of Respondents: 2,365.

Estimated Number of Responses: 20,788.

Frequency of Response: 8.79.

Average Hours per Response: .15.

Total Estimated Burden: 3,188.

SUPPLEMENTARY INFORMATION: This notice informs the public that HUD is seeking approval from OMB for the information collection described in Section A.

The **Federal Register** notice that solicited public comment on the information collection for a period of 60 days was published on December 21, 2022, at 87 FR 78123.

A. Overview of Information Collection

Title of Information Collection: Capital Advance Section 811 Grant Application for Supportive Housing for Persons with Disabilities.

OMB Approval Number: 2502-0462.

Type of Request: Reinstatement of a discontinued collection with change.

Form Number: HUD-92016-CA, HUD-92041, HUD-92042, HUD-92043, HUD-2880, HUD-2991, HUD-2530, HUD 424-B Standard grant forms: SF-424, SF-LLL.

Description of the need for the information and proposed use: This collection was discontinued in 2015 due to no funding being appropriated since 2011. The program received new funding in 2018 and 2019, and there was an attempt to reinstate the collection, but the process was not completed. With renewed funding for Fiscal Year 2022 and anticipated funding in the future, the Office of Asset Management and Portfolio Oversight (OAMPO) is submitting this request again. The information requested is necessary to the Department to assist HUD in determining applicant eligibility and ability to develop and operate, through the project owner, housing for persons with disabilities within statutory and program criteria. The program also provides project rental subsidies in the form of a Project Rental Assistance Contract ("PRAC") to maintain ongoing affordability over the next forty years. A thorough evaluation of an applicant's submission is necessary to protect the government's financial interest.
