SUPPLEMENTARY INFORMATION: We are soliciting public comments to permit the Department to:

- Evaluate whether the proposed information collection is necessary for the proper performance of our functions.
- Evaluate the accuracy of our estimate of the burden of the proposed collection, including the validity of the methodology and assumptions used.
- Enhance the quality, utility, and clarity of the information to be collected.
- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of technology.

Abstract of Proposed Collection

The DS-2029, Application for Consular Report of Birth Abroad of a Citizen of the United States of America, is used by citizens of the United States to report the birth of a child while overseas. The information collected on this form will be used to certify the acquisition of U.S. citizenship at birth of a person born abroad and can be used by that child throughout life.

Methodology

The DS-2029 will be available to download from the Internet. An application for a Consular Report of Birth is normally made in the consular district in which the birth occurred. The parent respondents will fill the form out and take it to a United States Consulate or Embassy, who will examine the documentation and enter the information provided into the Department of State American Citizen Services (ACS) electronic database.

Dated: May 24, 2006.

Wanda L. Nesbitt,

Acting Assistant Secretary, Bureau of Consular Affairs, Department of State.

Determination on U.S. Position on Proposed World Bank Group's International Financial Corporation (IFC) Projects in Bosnia and Herzegovina

Pursuant to section 561 of the Foreign Operations, Export Financing, and Related Programs Appropriations Act, 2006 (Pub. L. 109-102) (FOAA), and Department of State Delegation of Authority Number 289, I hereby determine that the proposed 4.0 million Euro ICF investment package to transform the Ekonomik Kredit Institution (EKI) from a not-for-profit into a commercial financial organization and the 3.0 million Euro IFC investment package to transform MIBOSPO into a commercial financial organization to increase their micro lending capacities, will contribute to a stronger economy in Bosnia and Herzegovina, directly supporting implementation of the Dayton Accords. I therefore waive the application of section 561 of the FOAA to the extent that provision would otherwise prevent the U.S. Executive Directors of the IFC from voting in favor of these projects.

This Determination shall be reported to the Congress and published in the **Federal Register**.

Dated: May 30, 2006.

Daniel Fried,

Assistant Secretary of State For European and Eurasian Affairs, Department of State.

International Joint Commission; Notice of Public Comment Period; International Lake Ontario-St. Lawrence River Study

The International Joint Commission will hold a 60-day public comment period on the report of its International Lake Ontario-St. Lawrence River Study Board, which was released on May 31, 2006.

The Study Board report presents the Commission with options for regulating the outflows from Lake Ontario through the international hydropower project at Cornwall, Ontario and Massena, New York. The five-year study improves the understanding of how regulation affects the environment, recreational boating, flooding, shoreline erosion, navigation, hydropower production and municipal
