

reports, or letters by knowledgeable sources.

Submit your comments and materials to the appropriate Fish and Wildlife Office listed under "VIII., Contacts."

VII. Public Availability of Comments

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your

personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. Comments and materials received will be available for public inspection, by appointment, during normal business hours at the offices where the comments are submitted.

VIII. Contacts

Send your comments and information on the following species, as well as requests for information, to the corresponding contacts/addresses. You may view information we receive in response to this notice, as well as other documentation in our files, at the following locations by appointment, during normal business hours.

Species	Contact person, phone, e-mail	Contact address

Endangered Plants and Wildlife; Receipt of Application for Enhancement of Survival Permit

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of availability of permit application; request for comments.

SUMMARY: In accordance with the requirements of the Endangered Species Act of 1973, as amended (Act), we, the U.S. Fish and Wildlife Service (Service), invite the public to comment on applications for permits to conduct enhancement of survival activities with endangered species.

DATES: To ensure consideration, please send your written comments by July 8, 2011.

ADDRESSES: Comments can be sent to the Endangered Species Program Manager, Ecological Services, U.S. Fish and Wildlife Service, 911 NE 11th Avenue, Portland, OR 97232–4181.

FOR FURTHER INFORMATION CONTACT: Grant Canterbury, Fish and Wildlife Biologist, at the above address or by telephone (503–231–6131) or fax (503–231–6243).

SUPPLEMENTARY INFORMATION: The following applicant has applied for a recovery permit to conduct certain activities with endangered species under section 10(a)(1)(A) of the Act (16 U.S.C. 1531 *et seq.*). We are soliciting review of and comments on the

application by local, State, and Federal agencies, and the public.

Permit No. TE–043638

Applicant: Directorate of Public Works, U.S. Army, Schofield Barracks, Hawaii.

The permittee requests a permit amendment to take (collect for captive propagation, collect genetic samples, and reintroduce or translocate) Oahu tree snails (*Achatinella* spp.) on Oahu Island, Hawaii, in conjunction with life-history studies for the purpose of enhancing their survival. This permit currently covers more limited take (capture, mark, release, and salvage) of the Oahu tree snails, as well as take of the Hawaiian picture-wing flies (*Drosophila aglaia*, *D. hemipeza*, *D. montgomeryi*, *D. obatai*, *D. substenoptera*, and *D. tarphytrichia*) and Oahu elepaio (*Chasiempis sandwichensis ibidis*), and removal and reduction to possession of *Chamaescyce herbstii* (akoko), *Hesperomannia arbuscula* (no common name), *Hedyotis coriacea* (kio'ele), *Phyllostegia kaalaensis* (no common name), and *Schiedea kaalae* (no common name), for

which notices were originally published in the **Federal Register** on July 20, 2005 (70 FR 41786), August 6, 2006 (71 FR 47242), November 16, 2007 (72 FR 64665), and June 17, 2008 (73 FR 34312).

Public Comments

We are soliciting public review and comment on this recovery permit application. Submit written comments to the Endangered Species Program Manager (see address above). Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Please refer to the appropriate permit number for the application when submitting comments. All comments and materials we receive in response to this request will be available for public inspection, by appointment, during normal business hours at the above address.

Dated: May 21, 2011.

Richard R. Hannan,

Acting Regional Director, Region 1, U.S. Fish and Wildlife Service.

Endangered Species Recovery Permit Applications

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of receipt of permit applications; request for comment.

SUMMARY: We, the U.S. Fish and Wildlife Service, invite the public to comment on the following applications to conduct certain activities with endangered species. With some exceptions, the Endangered Species Act (Act) prohibits activities with endangered and threatened species unless a Federal permit allows such activity. The Act also requires that we invite public comment before issuing these permits.

DATES: Comments on these permit applications must be received on or before July 8, 2011.

ADDRESSES: Written data or comments should be submitted to the U.S. Fish and Wildlife Service, Endangered Species Program Manager, Region 8, 2800 Cottage Way, Room W-2606, Sacramento, CA 95825 (*telephone:* 916-414-6464; *fax:* 916-414-6486). Please refer to the respective permit number for each application when submitting comments.

FOR FURTHER INFORMATION CONTACT: Daniel Marquez, Fish and Wildlife Biologist; see **ADDRESSES** (*telephone:* 760-431-9440; *fax:* 760-431-9624).

SUPPLEMENTARY INFORMATION: The following applicants have applied for scientific research permits to conduct certain activities with endangered species under section 10(a)(1)(A) of the Act (16 U.S.C. 1531 *et seq.*). We seek review and comment from local, State, and Federal agencies and the public on the following permit requests. Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Permit No. TE-38521A

Applicant: Phillip A Poirier, Stockton, California.

The applicant requests a permit to take (capture, collect, release, and kill) the vernal pool tadpole shrimp (*Lepidurus packardii*) in conjunction with survey activities throughout the range of the species in Sacramento County, California, for the purpose of enhancing the species' survival.

Permit No. TE-38480A

Applicant: Valentine A. Hemingway, Santa Cruz, California.

The applicant requests a permit to take (survey, capture, handle, and release) the Santa Cruz long-toed salamander (*Ambystoma macrodactylum croceum*) in conjunction with surveys throughout the range of the species in California for the purpose of enhancing the species' survival.

Permit No. TE-221411

Applicant: Center for Natural Lands Management, Fallbrook, California.

The applicant requests a permit to take (capture, handle, and release) the Stephens' kangaroo rat (*Dipodomys stephensi*) in conjunction with surveys and population monitoring activities throughout the range of each species in California for the purpose of enhancing the species' survival.

Permit No. TE-39142A

Applicant: Stanford University, Stanford, California.

The applicant requests a permit to take (survey, capture, handle, and release) the San Francisco garter snake (*Thamnophis sirtalis*) and tidewater goby (*Eucyclogobius newberryi*) in conjunction with survey activities in San Mateo, Sonoma, Del Norte, and Humboldt Counties, California, for the purpose of enhancing the species' survival.

Permit No. TE-39183A

Applicant: Allegra L. Simmons, San Diego, California.

The applicant requests a permit to take (survey by pursuit) the Quino checkerspot butterfly (*Euphydryas editha quino*) in conjunction with surveys throughout the range of the species in California for the purpose of enhancing the species' survival.

Permit No. TE-39184A

Applicant: Tara M. Cornelisse, Felton, California.

The applicant requests a permit to take (survey, handle, collect, transport, hold in captivity, and take biological samples) the Ohlone tiger beetle (*Cicindela ohlone*) in conjunction with surveys and genetic analysis in Santa Cruz County, California, for the purpose of enhancing the species' survival.

Permit No. TE-39186A

Applicant: Carlos Alvarado, Sacramento, California.

The applicant requests a permit to take (survey, capture, handle, and release) the California tiger salamander (*Ambystoma californiense*) in conjunction with surveys and population monitoring throughout the range of the species in California for the purpose of enhancing the species' survival.

Permit No. TE-036090

Applicant: Virginia S. Moran, Grass Valley, California.

The applicant requests a permit to remove/reduce to possession the *Galium californicum sierra* (El Dorado bedstraw), *Cordylanthus mollis mollis* (soft bird's-beak), *Cordylanthus palmatus* (Palmate-bracted bird's-beak),
