AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of this expedited sunset review, the U.S. Department of Commerce (Commerce) finds that revocation of the countervailing duty (CVD) order on certain tool chests and cabinets (tool chests and cabinets) from the People's Republic of China (China) would be likely to lead to continuation or recurrence of countervailable subsidies at the levels indicated in the "Final Results of Sunset Review" section of this notice.

DATES: Applicable March 30, 2023.

FOR FURTHER INFORMATION CONTACT: Claudia Cott, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4270.

SUPPLEMENTARY INFORMATION:

I. Abstract

The United States, the European Union (EU), the United Kingdom (UK), and Switzerland share a commitment to enhancing privacy protection, the rule of law, and a recognition of the importance of transatlantic data flows to our respective citizens, economies, and societies, but take different approaches to doing so. Given those differences, the Department of Commerce (DOC) developed the EU-U.S. Data Privacy Framework (EU-U.S. DPF), the UK Extension to the EU-U.S. Data Privacy Framework (UK Extension to the EU-U.S. DPF), and the Swiss-U.S. Data Privacy Framework (Swiss-U.S. DPF) in consultation with the European Commission, the UK Government, the Swiss Federal Administration, industry, and other stakeholders. These arrangements were respectively developed to provide U.S. organizations reliable mechanisms for personal data transfers to the United States from the European Union, the United Kingdom,

and Switzerland while ensuring data protection that is consistent with EU, UK, and Swiss law.

The DOC is issuing the EU-U.S. DPF Principles and the Swiss-U.S. DPF Principles, including the respective sets of Supplemental Principles (collectively the Principles) and Annex I of the Principles, as well as the UK Extension to the EU-U.S. DPF under its statutory authority to foster, promote, and develop international commerce (15 U.S.C. 1512). The International Trade Administration (ITA) will administer and supervise the Data Privacy Framework program, including maintaining and making publicly available the Data Privacy Framework List, an authoritative list of U.S. organizations that have self-certified to the DOC and declared their commitment to adhere to the Principles pursuant to the EU-U.S. DPF and, as applicable, the UK Extension to the EU-U.S. DPF, and/or the Swiss-U.S. DPF. On the basis of the Principles, Executive Order 14086, 28 CFR part 201, and accompanying letters and materials, including ITA's commitments regarding the administration and supervision of the Data Privacy Framework program, it is the DOC's expectation that the European Commission, the UK Government, and the Swiss Federal Administration will respectively recognize the adequacy of the protection provided by the EU-U.S. DPF, the UK Extension to the EU-U.S. DPF, and the Swiss-U.S. DPF thereby enabling personal data transfers from each respective jurisdiction to U.S. organizations participating in the relevant part of the Data Privacy Framework program. The EU-U.S. DPF,
