

would have prior notice regarding the suspension and delisting and/or a period to pay any unpaid fees prior to such suspension and delisting. For example, it is unclear if immediate suspension and delisting would occur even if the fees became due only one day prior to a quarterly or semi-annual review.

As a result, the Commission believes there are questions as to whether the proposal is consistent with Sections 6(b)(5) and 6(b)(7) of the Exchange Act.³⁸ For this reason, it is appropriate to institute proceedings pursuant to Section 19(b)(2)(B) of the Exchange Act³⁹ to determine whether the proposal should be approved or disapproved.

IV. Procedure: Request for Written Comments

The Commission requests that interested persons provide written submissions of their data, views, and arguments with respect to the issues identified above, as well as any other concerns they may have with the proposal. In particular, the Commission invites the written views of interested persons concerning whether the proposed rule change is consistent with Sections 6(b)(5) and 6(b)(7) of the Exchange Act⁴⁰ or any other provision of the Exchange Act, or the rules and regulations thereunder. Although there do not appear to be any issues relevant to approval or disapproval that would be facilitated by an oral presentation of data, views, and arguments, the Commission will consider, pursuant to Rule 19b-4 under the Exchange Act,⁴¹ any request for an opportunity to make an oral presentation.⁴²

Interested persons are invited to submit written data, views, and arguments regarding whether the proposed rule change should be approved or disapproved by February 7, 2025. Any person who wishes to file a rebuttal to any other person's submission must file that rebuttal by February 21, 2025. The Commission asks that commenters address the sufficiency of the Exchange's statements

in support of the proposal, in addition to any other comments they may wish to submit about the proposed rule change. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's internet comment form (<https://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include file number SR-NYSE-2024-44 on the subject line.

Paper Comments

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE, Washington, DC 20549-1090.

All submissions should refer to file number SR-NYSE-2024-44. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's internet website (<https://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission's Public Reference Room, 100 F Street NE, Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. Do not include personal identifiable information in submissions; you should submit only information that you wish to make available publicly. We may redact in part or withhold entirely from publication submitted material that is obscene or subject to copyright protection. All submissions should refer to file number SR-NYSE-2024-44 and should be submitted on or before February 7, 2025. Rebuttal comments should be submitted by February 21, 2025.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁴³
