

organic compounds, greenhouse gases, and dust to be consistent with the Air Quality policy.

Firebreak (Code 394): Firebreak definition would be changed to distinguish this practice from Fuel Break (383). Language would be updated throughout the document to improve clarity. Considerations section was reorganized to put similar considerations together. References were updated by adding relevant publications.

Forest Stand Improvement (Code 666): The Definition, Purpose, Criteria, Considerations, and Operation and Maintenance sections were refined to add clarity. The purposes were revised to align with resource concerns. Criteria and Considerations sections were reorganized and revised to match the updated purposes and link to enhancements. New considerations for the use of biomass for bioenergy, renewable energy production, or biochar were added. The References section was updated with relevant publications.

Fuel Break (Code 383): Language was added to better distinguish Fuel Break (383) from Firebreak (394). Purpose, Criteria, and Considerations sections were further refined. The sections on Plans and Specifications and Operation and Maintenance were revised to improve clarity. The References section was updated with relevant publications.

Hillside Ditch (Code 423): The formatting and writing style were updated to meet current agency requirements and minor revisions were made for clarity and readability. The Capacity subsection of Criteria was revised to remove specific limitations for stable channel grade and expanded to be the Channel Stability and Capacity subsection. The required capacity was reduced from conveying runoff from a 10 year-24 hour storm to a 5 year-24 hour storm.

Range Planting (Code 550): The Definition and Conditions Where Practice Applies sections were edited for clarity. In the Criteria section, the general criteria applicable to all purposes was edited for completeness and a multi-year seeding strategy was added to Considerations. References were updated to include a Conservation Effects Assessment Project (CEAP) study and the PLANTS database.

Soil Carbon Amendment (Code 336): Supports the application of biochar, compost, and other state-approved carbon amendments (for example, harvested aquatic plant biomass, bagasse, distillation residue) to increase soil carbon sequestration and improve soil health on all land uses. The evaluation and monitoring of soil

properties, amendment characterization, and short and long-term conservation objectives form the basis for the soil carbon amendment practice plan.

USDA Non-Discrimination Policy

In accordance with Federal civil rights law and USDA civil rights regulations and policies, USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family or parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (for example, braille, large print, audiotope, American Sign Language, etc.) should contact the responsible Agency or USDA TARGET Center at (202) 720-2600 (voice and TTY) or (844) 433-2774 (toll-free nationwide). Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at <https://www.usda.gov/oascr/how-to-file-a-program-discrimination-complaint> and at any USDA office or write a letter addressed to USDA and provide in the letter all the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by mail to: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue SW, Washington, DC 20250-9410 or email: OAC@usda.gov.

USDA is an equal opportunity provider, employer, and lender.

Louis Aspey,

Acting Chief, Natural Resources Conservation Service.

DEPARTMENT OF AGRICULTURE

Rural Business-Cooperative Service

[Docket No. RBS-22-BUSINESS-0011]

Notice of Request for Extension of a Currently Approved Information Collection

AGENCY: Rural Business-Cooperative Service, USDA.

ACTION: Notice; comment requested.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, this notice announces the intention of the above-named agency to request Office of Management and Budget's (OMB) approval for an extension of a currently approved information collection in support of the Rural Business-Cooperative Service's Business and Industry guarantee loan program.

DATES: Comments on this notice must be received by July 18, 2022.

FOR FURTHER INFORMATION CONTACT:

Susan Woolard, Management Analyst, Rural Development Innovation Center—Regulations Management Division, USDA, 1400 Independence Avenue SW, South Building, Washington, DC 20250-1522. Telephone: (202) 720-9631. Email susan.woolard@usda.gov.

SUPPLEMENTARY INFORMATION: The Office of Management and Budget's (OMB) regulation (5 CFR part 1320) implementing provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13) requires that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities (see 5 CFR 1320.8(d)). This notice identifies an existing information collection that the Agency is submitting to OMB for extension.

Comments

Comments are invited on: (a) Whether this collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility; (b) The accuracy of the Agency's estimate of the burden of the collection of information including the validity of the methodology and assumptions used; (c) Ways to enhance the quality, utility, and clarity of the information to be collected; and (d) Ways to minimize the burden of the collection of information on those who respond, including through the use of appropriate automated, electronic, mechanical or other technological collection techniques, or other forms of information technology.

Comments may be sent by the Federal eRulemaking Portal: Go to <http://www.regulations.gov> and, in the lower "Search Regulations and Federal Actions" box, select "RBS" from the agency drop-down menu, then click on "Submit." In the Docket ID column, select [RBS-22-BUSINESS-0011] to submit or view public comments and to view supporting and related materials available electronically. Information on using *Regulations.gov*, including instructions for accessing documents, submitting comments, and viewing the docket after the close of the comment period, is available through the site's "User Tips" link.

Title: 7 CFR part 4287, subpart B.

OMB Control Number: 0570-0069.

Type of Request: Extension of a currently approved collection.

Abstract: This subpart contains requirements applicable to the servicing of B&I Guaranteed Loan Program administered by the Agency. This includes lender and borrower performance, routine and delinquency servicing and secondary market activities for loans made before October 1, 2020. The information is used by Agency loan officers for program monitoring.

The estimates do not include burden hours for customary and usual business practices of entities other than the Agency. Therefore, this package only considers the information the Agency requires in excess of what a lender would typically require of a business, as well as the information the Agency regulation requires from the lender in excess of what it would typically do for a non-guaranteed loan.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 1.07 hours per response.

Respondents: Businesses, not-for-profit institutions and others.

Estimated Number of Respondents: 2,800.

Total Annual Responses: 18,562.

Estimated Number of Responses per Respondent: 6.63.

Estimated Total Annual Burden on Respondents: 19,842 hours.

Copies of this information collection can be obtained from Susan Woolard, Management Analyst, Innovation Center—Regulations Management Division, at (202) 720-9631. Email: susan.woolard@usda.gov.

All responses to this notice will be summarized and included in the request

for OMB approval. All comments will also become a matter of public record.

Karama Neal,

Administrator, Rural Business-Cooperative Service.
