

are made available to the Forest Service at a time when it can meaningfully consider and respond to them in the Final SEIS. Reviewers may wish to refer to the Council on Environmental Quality regulations for implementing the procedural provisions of the National Environmental Policy Act at 40 CFR 1503.3 in addressing these points.

Responsible Official

Bob Castaneda, Forest Supervisor of the Kootenai National Forest, 1101 U.S. Highway 2 West, Libby, MT 59923, is the Responsible Official for this project. The Record of Decision will identify the land management activities to be implemented in the project area including urban interface fuels treatments, vegetation management, watershed rehabilitation activities, wildlife habitat improvement, access management changes, including road decommissioning, monitoring, and whether or not a Forest Plan amendment is necessary. The Forest Supervisor will make a decision on this project after considering comments and responses, environmental consequences discussed in the Final SEIS, and applicable laws, regulations and policies. The decision and supporting reasons will be documented in a Record of Decision.

Dated: February 6, 2006.

Bob Castaneda,

Forest Supervisor, Kootenai National Forest.

Rural Business-Cooperative Service

Inviting Applications for Renewable Energy Systems and Energy Efficiency Improvements Grants and Guaranteed Loans

AGENCY: Rural Business-Cooperative Service (RBS), USDA.

ACTION: Notice.

SUMMARY: Rural Business-Cooperative Service (RBS) announces the availability of funds for fiscal year (FY) 2006 to purchase renewable energy systems and make energy efficiency improvements for agricultural producers and rural small businesses in eligible rural areas. The amount available for competitive grants is \$11.385 million. Approximately \$176.5 million in guaranteed loan authority is also available. Any guarantee loan funds that are not obligated by August 1, 2006, will be pooled and revert to the National Office reserve for grant use. USDA is currently in the process of evaluating the potential for a direct loan program to help finance renewable energy and energy efficiency projects for rural small businesses and agricultural producers. Therefore, for purposes of FY 2006, funding will be limited to grants and guaranteed loans.

For renewable energy systems, the minimum grant request is \$2,500 and the maximum is \$500,000. For energy efficiency improvements, the minimum acceptable grant request is \$1,500 and the maximum is \$250,000. The maximum amount of a guaranteed loan made to a borrower will be \$10 million. For FY 2006, the guarantee fee amount is 1.0% (one percent) of the guaranteed portion of the loan and the annual renewal fee is 0.125% (one-eighth of one percent) of the guaranteed portion of the loan.

DATES: The United States Department of Agriculture (USDA) will conduct one competitive grant solicitation in 2006. Applications must be completed and submitted to the appropriate USDA Rural Development State Office postmarked no later than May 12, 2006. Grant applications postmarked after this

date will be returned to the applicant with no action. Any guaranteed loan funds not obligated by August 1, 2006 will be made available for competitive grants under this notice. Guaranteed loans will be awarded on a continuous basis. Applications are due to the National Office for funding consideration by July 3, 2006. In accordance with RD Instructions 1940-G, all environmental assessments must be completed prior to submission to the National Office.

ADDRESSES: Submit applications to the USDA Rural Development State Office in the State where your project is located or, in the case of rural small businesses, where your business is headquartered. A list of the Rural Development State Offices and Energy Coordinators addresses and telephone numbers follow. For further information about this solicitation, please contact the applicable State Office. This document is available on our Web site at <http://www.rurdev.usda.gov/rbs/farmbill/index.html>.
