

The Commission further determines, pursuant to section 771(24)(A) of the Act (19 U.S.C. 1677(24)(A)) that imports of carbon and certain alloy steel wire rod from Germany that have been found by Commerce to be subsidized by the Government of Germany and sold in the United States at LTFV are negligible, and its investigations with regard to that country are thereby terminated pursuant to sections 705(b) and 735(b) of the Act.⁴ With regard to imports of the subject merchandise from Moldova and Ukraine that were subject to affirmative critical circumstances determinations by Commerce, the Commission determines that critical circumstances do not exist.⁵

Background

The Commission instituted these investigations effective August 31, 2001, following receipt of petitions filed with the Commission and Commerce by counsel on behalf of Co-Steel Raritan, Inc., Perth Amboy, NJ; GS Industries, Inc., Charlotte, NC; Keystone Consolidated Industries, Inc., Dallas, TX; and North Star Steel Texas, Inc., Edina, MN. The final phase of the investigations was scheduled by the Commission following notification of preliminary determinations by Commerce that imports of carbon and certain alloy steel wire rod from Canada and Germany were being subsidized within the meaning of section 703(b) of the Act (19 U.S.C. 1671b(b))⁶ and imports of carbon and certain alloy steel wire rod from Brazil, Canada, Germany, Indonesia, Mexico, Moldova, Trinidad and Tobago, and Ukraine were being sold at LTFV within the meaning of section 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission's investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of May 2,

2002 (67 FR 22105).⁷ The hearing was held in Washington, DC, on August 27, 2002, and all persons who requested the opportunity were permitted to appear in person or by counsel.

The Commission transmitted its determinations in these investigations to the Secretary of Commerce on October 15, 2002. The views of the Commission are contained in USITC Publication 3546 (October 2002), entitled *Carbon and Certain Alloy Steel Wire Rod From Brazil, Canada, Germany, Indonesia, Mexico, Moldova, Trinidad and Tobago, and Ukraine: Investigations Nos. 701-TA-417-419 and 731-TA-953, 954, 956-959, 961, and 962 (Final)*.

Issued: October 16, 2002.

By order of the Commission.

Marilyn R. Abbott,

Secretary to the Commission.

FOR FURTHER INFORMATION CONTACT: Frank L. Sapienza, Chief, Drug and Chemical Evaluation Section, Drug Enforcement Administration,

⁴ Commissioner Lynn M. Bragg determines that an industry in the United States is threatened with material injury by reason of imports from Germany of carbon and certain alloy steel wire rod that have been found by Commerce to be subsidized by the Government of Germany and sold in the United States at LTFV.

⁵ Commissioner Lynn M. Bragg makes affirmative determinations with regard to critical circumstances in the investigations concerning Germany, Moldova, and Ukraine.

⁶ Although Commerce made a preliminary negative countervailing duty determination with respect to Brazil, it subsequently made a final affirmative countervailing duty determination with respect to that country.
