Industrial Nitrocellulose From Brazil, France, Germany, Korea, Japan, the People's Republic of China, and the United Kingdom: Notice of Preliminary Results of Changed Circumstances Review and Intent To Revoke Antidumping Duty Orders

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of preliminary results of changed circumstances reviews and intent to revoke antidumping duty orders.

SUMMARY: The Department of Commerce is conducting changed circumstances reviews of the antidumping orders of industrial nitrocellulose from Brazil, France, Germany, Korea, Japan, the People's Republic of China, and the United Kingdom. The preliminary results of these reviews indicate that Green Tree Chemical Technologies (Green Tree), the sole U.S. producer of industrial nitrocellulose in the United States, has ceased production. Consequently, we have preliminarily determined to revoke the orders of industrial nitrocellulose from Brazil, Germany, Korea, Japan, the People's Republic of China, and the United Kingdom on July 1, 2003, which is the earliest date for which there are entries which have been subject to these administrative reviews. We have preliminarily determined to revoke the orders of industrial nitrocellulose from France effective August 1, 2003, which is the earliest date for which there are entries subject to that administrative review.

Interested parties are invited to comment on these preliminary results.

DATES: Effective Date: June 17, 2004.
