

POLICY JUSTIFICATION**Iraq – Helicopters and Related Munitions**

The Government of Iraq has requested a possible sale of 26 Bell Armed 407 Helicopters, 26 Rolls Royce 250-C-30 Engines, 26 M280 2.75-inch Launchers, 26 XM296 .50 Cal. Machine Guns with 500 Round Ammunition Box, 26 M299 HELLFIRE Guided Missile Launchers, test measurement and diagnostics equipment, spare and repair parts, support equipment, publications and technical data, personnel training and training equipment, U.S. Government and contractor engineering and logistics personnel services, and other related elements of logistics support. The estimated cost is \$366 million.

This proposed sale will contribute to the foreign policy and national security of the United States by helping to improve the security of a friendly country. This proposed sale directly supports the Iraqi government and serves the interests of the Iraqi people and the U.S.

The proposed sale of these helicopters and related munitions will be used to develop new Iraqi Air Force (IAF) squadrons and/or wings, and to enhance the ability of the IAF to sustain itself in its efforts to bring stability to Iraq.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The principal contractors unknown at this time; however, acquisition is subject to FAR and DFARS domestic sourcing requirements. There are no known offset agreements proposed in connection with this potential sale.

With the volume and wide range of items and equipment in this proposed sale, levels of U.S. Government and Contractor technical assistance will be required but cannot be fully defined at this time.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.

POLICY JUSTIFICATION

Iraq –M16A4 Rifles, M4 Carbines, and M203 Grenade Launchers

The Government of Iraq has requested a possible sale of (80,000) M16A4 5.56MM Rifles, (25,000) M4 5.56MM Carbines, (2,550) M203 40MM Grenade Launchers, spare and repair parts, support equipment, publications and technical data, personnel training and training equipment, contractor engineering and technical support services, and other related elements of logistics support. The estimated cost is \$148 million.

This proposed sale will contribute to the foreign policy and national security of the United States by helping to improve the security of a friendly country. This proposed sale directly supports the Iraq government and serves the interests of the Iraqi people and the U.S.

The proposed sale of the small arms and support will enable the Iraq Army to expand its force structure. This expansion will enable Iraq to equip new forces to assume the missions currently accomplished by U.S. and coalition forces and to sustain themselves in their efforts to bring stability to Iraq and to prevent overflow of unrest into neighboring countries.

The proposed sale of this equipment and support will not alter the basic military balance in the region.

The principal contractors are Colt Manufacturing Company in Hartford, Connecticut and Fabrique Nationale Manufacturing Group Herstal, S. A. in Herstal, Belgium. There are no known offset agreements proposed in connection with this potential sale.

U.S. Government and Contractor technical assistance will be required but cannot be fully defined at this time. The use of existing, deployed U.S. military personnel will be maximized.

There will be no adverse impact on U.S. defense readiness as a result of this proposed sale.
