Geological Survey

Request for Public Comments on Extension of Existing Information Collection To Be Submitted to OMB for Review Under the Paperwork Reduction Act

A request extending the information collection described below will be submitted to the Office of Management and Budget (OMB) for approval under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35). Copies of the proposed collection may be obtained by contacting the USGS Clearance Officer at the phone number listed below. Comments on the proposal should be made within 60 days to the Bureau Clearance Officer, U.S. Geological Survey, 807 National Center, Reston, VA 20192.

As required by OMB regulations at 5 CFR 1320.8(d)(1), the USGS solicits specific public comments as to:

1. Whether the collection of information is necessary for the proper performance of the functions on the bureaus, including whether the information will have practical utility;
2. The accuracy of the bureau's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;
3. The quality, utility, and clarity of the information to be collected; and
4. How to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other forms of information technology.

Title: Earthquake Report.

OMB Approval No: 1028-0048.

Summary: The collection of information referred herein applies to a World-Wide Web site questionnaire that permits individuals to report on the effects of the shaking from an earthquake—on themselves personally, buildings, other man-made structures,

and ground effects such as faulting or landslides. The USGS may use the information to provide qualitative, quantitative, or graphical descriptions of earthquake damage.

Estimated Completion Time: 6 minutes.

Estimated Annual Number of Respondents: 100,000.

Frequency: After each earthquake.

Estimated Annual Burden Hours: 10,000 hours.

Affected Public: The general public.
For Further Information Contact: To obtain copies of the survey, contact the Bureau clearance officer, U.S. Geological Survey, 807 National Center, 12201 Sunrise Valley Drive, Reston, Virginia 20192, telephone (703) 648-7313, or go to the Web site (<http://pasadena.wr.usgs.gov/shake/>).

Dated: May 16, 2005.

P. Patrick Leahy,

Associate Director for Geology.

BILLING CODE 4310-47-M

DEPARTMENT OF THE INTERIOR

Bureau of Indian Affairs

Notice of Intent To Prepare an Environmental Impact Statement for the Proposed Enterprise Rancheria Fee-to-Trust Transfer and Casino-Hotel Project, Yuba County, CA

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice.

SUMMARY: This notice advises the public that the Bureau of Indian Affairs (BIA) as lead agency, with the Estom Yumeka Maidu Tribe (Enterprise Rancheria) as a cooperating agency, intends to gather information necessary for preparing an Environmental Impact Statement (EIS) for a proposed 40 acre fee-to-trust transfer and casino and hotel project to be located in Yuba County, California. The purpose of the proposed action is to help provide a land base for, and address the socio-economic needs of the Enterprise Rancheria. This notice also announces a public scoping meeting to identify potential issues, concerns and alternatives to be considered in the EIS.

DATES: Written comments on the scope and implementation of this proposal must arrive by June 20, 2005. The public scoping meeting, to be co-hosted by the BIA and the Enterprise Rancheria, will be held June 9, 2005, from 6 p.m. to 9 p.m., or until the last public comment is received.

ADDRESSES: You may mail or hand carry written comments to Clay Gregory,

Regional Director, Pacific Regional Office, Bureau of Indian Affairs, 2800 Cottage Way, Sacramento, California 95825. Please include your name, return address and caption, "DEIS Scoping Comments, Enterprise Rancheria, 40 Acre Fee-to-Trust Casino/Hotel Project, Yuba County, California," on the first page of your written comments.

The public scoping meeting will be held at the Elk's Lodge, 920 D Street, Marysville, California 95901-5322.

FOR FURTHER INFORMATION CONTACT: John Rydzik, (916) 978-6042.

SUPPLEMENTARY INFORMATION: The 40 acre project site is located 4 miles southeast of the Community of Olivehurst, California, near the intersection of Forty Mile Road and State Route 65, in unincorporated Yuba County. The site is currently undeveloped and in use for hay farming. Surrounding land uses include agriculture, open space and entertainment.

The proposed action consists of the placing of a 40 acre parcel, currently privately owned, into federal trust status and the construction of a casino-hotel project, for the benefit of the Enterprise Rancheria. The proposed construction would consist of a 207,760 square-foot gaming facility and a 107,125 square-foot hotel on the 40 acre parcel. The two-story gaming facility would include a casino floor, food and beverage areas (including a buffet, gourmet restaurant, and bar), meeting space, guest support services, offices and security area. The eight-story hotel would contain 170 rooms (152 standard rooms and 18 suites) and would feature a lobby area, retail space, exercise room and arcade.

The BIA previously prepared an Environmental Assessment (EA) that analyzed the potential environmental effects of the proposed action. The EA was made available for public comments in July 2004. Upon consideration of the public and agency comments received during the 30-day public comment period, the BIA, in consultation with the Enterprise Rancheria, decided to prepare an EIS to further analyze the environmental effects which may result from the proposed action.

Areas of environmental concern to be addressed in the EIS include land use, geology and soils, water resources, agricultural resources, biological resources, cultural resources, mineral resources, paleontological resources, traffic and transportation, noise, air quality, public health/environmental hazards, public services and utilities, hazardous waste and materials, socio-economics, environmental justice, and
