** This figure does not represent actual costs that SSA is imposing on recipients of Social Security payments to complete this application; rather, these are theoretical opportunity costs for the additional time respondents will spend to complete the application. *There is no actual charge to respondents to complete the application.*

*** The enrollment process entails reviewing and completing eCBSV User Agreement and financial requirements package; visiting the Department of the Treasury's *Pay.gov* to make payment for services; and submitting a permitted entity certification via email.

**** There will be one CPA firm respondent (an SSA-approved contractor) to conduct compliance reviews and prepare written reports of findings on the 10 permitted entities.

Cost Burden

The public cost burden is dependent upon the number of permitted entities and annual transaction volume. In FY 2019, 10 companies enrolled out of 124 applications received to participate in eCBSV. We based the cost estimates below on 10 participating permitted entities in FY 2020 submitting an anticipated volume of 307,000,000 transactions. The Banking Bill requires that we collect at least 50 percent of the start-up costs (*i.e.*, that we collect \$9.2 million) before we may begin development of the eCBSV verification system. SSA will recover the remaining development costs over three years using the following tier fee schedule:

ECBSV TIER FEE SCHEDULE

Tier	Volume threshold	Annual fee
1	1–1,000	\$400
2	1,001–10,000	3,030
3	10,001–200,000	14,300
4	200,001–50 million	276,500
5	50,000,001–2 billion	860,000

Each enrolled permitted entity will be required to remit the above tier based subscription fee for the 365-day agreement period and the appropriate administrative fee. We will charge newly enrolled entities a startup administrative fee of \$3,693. After the initial year, we will charge the entities a renewal administrative fee of \$1,691 each time the agreement is renewed or

amended. We calculated the fees based on forecasted systems and operational expenses; agency oversight, overhead and CPA audit contract costs.

In addition, SSA will periodically recalculate costs to provide eCBSV services and adjust the fees charged as needed. We will notify companies of a fee adjustment at the renewal of the eCBSV User Agreement and via notice in the **Federal Register**; companies have the opportunity to cancel the agreement or continue service using the new fee.
