Purpose: The U.S. Agency for International Development (USAID) finances goods and related services under its Commodity Import Program which are contracted for by public and private entities in the countries receiving the USAID Assistance. Nominations for Member of the National Organic Standards Board

AGENCY: Agricultural Marketing Service, USDA.

ACTION: Notice.

SUMMARY: The Organic Foods Production Act (OFPA) of 1990, as amended, requires the establishment of a National Organic Standards Board (NOSB). The NOSB is a 15-member board that is responsible for developing and recommending to the Secretary a proposed National List of Allowed and Prohibited Substances. The NOSB also advises the Secretary on all other aspects of the National Organic Program. The U.S. Department of Agriculture (USDA) is requesting nominations to fill one Environmentalist position on the NOSB. The Secretary of Agriculture will appoint a person to serve a 5-year term of office that will commence on January 24, 2008, and run until January 24, 2013. USDA encourages eligible minorities, women, and persons with disabilities to apply for membership on the NOSB.

DATES: Written nominations, with resumes, must be post-marked on or before August 17, 2007.

ADDRESSES: Nomination cover letters and resumes should be sent to Ms. Katherine E. Benham, Advisory Board Specialist, USDA-AMS-TMP-NOP, 1400 Independence Avenue, SW., Room 4008-So., Ag Stop 0268, Washington, DC 20250.

SUPPLEMENTARY INFORMATION: The OFPA of 1990, as amended (7 U.S.C. 6501 *et seq.*), requires the Secretary to establish an organic certification program for producers and handlers of agricultural products that have been produced using organic methods. In developing this program, the Secretary is required to establish an NOSB. The purpose of the NOSB is to assist in the development of a proposed National List of Allowed and Prohibited Substances and to advise the Secretary on other aspects of the National Organic Program.

The current NOSB has made recommendations to the Secretary regarding the establishment of the initial organic program. It is anticipated that the NOSB will continue to make recommendations on various matters, including recommendations on substances it believes should be allowed or prohibited for use in organic production and handling.

The NOSB is composed of 15 members; 4 organic producers, 2 organic handlers, a retailer, 3 environmentalists, 3 public/consumer representatives, a scientist, and a certifying agent. Nominations are being sought to fill an Environmentalist vacancy. Individuals appointed to this NOSB position must demonstrate expertise in areas of environmental protection and resource conservation as they relate to organic agricultural production.

To nominate yourself or someone else please submit, at a minimum, a cover letter stating your interest and a copy of the nominee's resume. You may also submit a list of endorsements or letters of recommendation, if desired.

Nominees will be supplied with an AD-755 background information form that must be completed and returned to USDA within 10 working days of its receipt. Resumes and completed background information forms are required for a nominee to receive consideration for appointment by the Secretary.

Equal opportunity practices will be followed in all appointments to the NOSB in accordance with USDA policies.
