Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213.

Dated: November 26, 2014.

We will conduct surveys of visitors to Puerto Rico and residents of Puerto Rico who use the coral reef ecosystems to estimate the amount and type of use, their spending while undertaking coral reef use activities, the economic value of reef attributes (e.g. water clarity/visibility, coral abundance and diversity, fish and invertebrate abundance and diversity, and opportunity to see large wildlife) and how economic value changes with changes in reef attributes.

Affected Public: Individuals or households.
