Non-Discrimination Statement

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotope, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at <https://www.usda.gov/oascr/how-to-file-a-program-discrimination-complaint> and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

SUPPLEMENTARY INFORMATION:

I. Abstract

The U.S. Census Bureau, with support from the National Center for Science and Engineering Statistics (NCSES) within the National Science Foundation, plans to conduct the Business Enterprise Research and Development Survey (BERD) for the 2021-2023 survey years. BERD covers all domestic, non-farm, for-profit businesses with at least 10 paid employees. BERD provides the only comprehensive national data on Research and Development (R&D) costs and detailed expenses by type and industry.

The Census Bureau has conducted an R&D survey since 1957, collecting primarily financial information on the systematic work companies undertake to discover new knowledge or use
