

to purchase the mineral estate having no more than nominal value, excluding oil and gas and geothermal resources. A non-refundable fee of \$50.00 will be required with the purchase money. Failure to submit the purchase money and the non-refundable filing fee for the mineral estate within the time frame specified by the authorized officer will result in cancellation of the sale.

Upon publication of this Notice of Realty Action in the **Federal Register**, the lands will be segregated from all forms of appropriation under the public land laws, including the mining laws, but not the mineral leasing laws or disposals pursuant to Sections 203 and 209 of FLPMA. The segregation shall terminate upon issuance of a patent or other document of conveyance, upon publication in the **Federal Register** of a Notice of Termination of Segregation, or 270 days from date of this publication, whichever occurs first.

The patent, when issued, will contain the following reservations to the United States:

1. A right-of-way thereon for ditches and canals constructed by the authority of the United States, Act of August 30, 1890, (43 U.S.C. 945).

2. Oil and gas and geothermal resources. A more detailed description of this reservation, which will be included in the patent document, is available for review at the Elko Field Office.

For a period of 45 days from the date of publication in the **Federal Register**, interested parties may submit comments to the Bureau of Land Management, Elko Field Office, 3900 E. Idaho Street, Elko, Nevada 89801. Any adverse comments will be evaluated by the State Director, who may sustain, vacate or modify this realty action and issue a final determination. In the absence of timely filed objections, this realty action will become a final determination of the Department of the Interior.

Dated: June 25, 2001.
