AGENCY: Food and Nutrition Service (FNS), USDA.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 this notice announces the Food and Nutrition Service's intent to request approval to collect information via an online form. This is a revision of a currently approved collection for the Supplemental Nutrition Assistance Program (SNAP) Forms: FNS-0625 Resource Sharing Form. The following materials may be submitted: obesity prevention education materials targeting Supplemental Nutrition Assistance Program (SNAP)-eligible persons; materials related to the development, implementation, administration and evaluation of SNAP Education (SNAP-Ed) programs; reports or other materials that demonstrate the effectiveness of SNAP-Ed funded programs; other materials developed by

SNAP-Ed funded programs. The SNAP-Ed Library may be used by SNAP-Ed personnel and others to easily search for resources and to learn about the work of other SNAP-Ed programs.

Revisions to this form will not add additional burden to users.

Comments: Comments are invited on (a) whether the proposed collection of information is necessary for the proper performance of agency functions, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and the assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who respond, including the use of appropriate automated, electronic, mechanical, or other technology. SUPPLEMENTARY INFORMATION:

Title: SNAP-Ed Connection Resource Sharing Form.

Form Number: FNS-889.

OMB Number: 0584-0625.

Expiration Date: 4/30/2021.

Type of Request: Revision of currently approved data collection.

Abstract: In 2001, the United States Department of Agriculture's (USDA) Food and Nutrition Service (FNS) established the Food Stamp Nutrition Connection to improve access to Food Stamp Program Education resources. In 2008, the website was renamed the SNAP-Ed Connection. The website is developed and maintained at the FNS. The SNAP-Ed Connection is a resource website for SNAP-Ed administrators and educators. SNAP-Ed personnel use the SNAP-Ed Connection website to locate curricula, participant materials, nutrition research, administrative documents, and information regarding SNAP-Ed program development, implementation and evaluation. This resource website helps SNAP-Ed personnel find the tools and information they need to implement high-quality evidence-based obesity prevention programs.

The SNAP-Ed Library is an online database of SNAP-Ed-related materials. The SNAP-Ed Connection Resource Sharing Form gives SNAP-Ed personnel, as well as those who develop nutrition education materials, the opportunity to voluntarily share information about resources that can be used to administer, develop, implement, evaluate or showcase SNAP-Ed programs. Information collected via this form enables the SNAP-Ed Connection staff to review materials for possible inclusion in the SNAP-Ed Library. SNAP-Ed personnel and other interested parties then search this database via the SNAP-Ed Connection website <https://snaped.fns.usda.gov> to locate materials of interest. By using this database, SNAP-Ed-funded programs can share resources with each other, reduce duplication of efforts, and improve program quality. SNAP-Ed-funded programs can also learn about useful nutrition education materials created by other organizations.

Users may complete the form online. Respondents will provide contact information, ordering information, and information about the resource they are submitting.
