

respectively. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

o. Filing and Service of Documents: Any filing must (1) bear in all capital letters the title "COMMENTS", "PROTEST", or "MOTION TO INTERVENE" as applicable; (2) set forth in the heading the name of the applicant and the project number of the application to which the filing responds; (3) furnish the name, address, and telephone number of the person commenting, protesting or intervening; and (4) otherwise comply with the requirements of 18 CFR 385.2001 through 385.2005. All comments, motions to intervene, or protests must set forth their evidentiary basis. Any filing made by an intervenor must be accompanied by proof of service on all persons listed in the service list prepared by the Commission in this proceeding, in accordance with 18 CFR 385.2010.

p. The Commission's Office of Public Participation (OPP) supports meaningful public engagement and participation in Commission proceedings. OPP can help members of the public, including landowners, environmental justice communities, Tribal members and others, access publicly available information and navigate Commission processes. For public inquiries and assistance with making filings such as interventions, comments, or requests for rehearing, the public is encouraged to contact OPP at (202) 502-6595 or OPP@ferc.gov.

[Project No. 2853-073]

Montana Department of Natural Resources and Conservation; Notice of Waiver Period for Water Quality Certification Application

On September 5, 2023, the Montana Department of Natural Resources and

Conservation submitted to the Federal Energy Regulatory Commission (Commission) a copy of its application for a Clean Water Act section 401(a)(1) water quality certification filed with the Maine Department of Environmental Quality (Montana DEQ), in conjunction with the above captioned project. Pursuant to section 401 of the Clean Water Act¹ and section 4.34(b)(5) of the Commission's regulations,² a state certifying agency is deemed to have waived its certifying authority if it fails or refuses to act on a certification request within a reasonable period of time, which is one year after the date the certification request was received. Accordingly, we hereby notify Montana DEQ of the following:

Date Montana DEQ received the certification request: September 1, 2023.

If Montana DEQ fails or refuses to act on the water quality certification request on or before September 1, 2024, then the agency certifying authority is deemed waived pursuant to Section 401(a)(1) of the Clean Water Act, 33 U.S.C. 1341(a)(1).

Dated: September 6, 2023.

Kimberly D. Bose,
Secretary.
