Priorities

This competition focuses on projects designed to meet the priorities in the notice of final priorities for this program, published elsewhere in this issue of the **Federal Register**.

For FY 2004, these priorities are absolute priorities. Under 34 CFR

75.105(c)(3), we consider only applications that meet one or more of the priorities.

Application Procedures

Note: Some of the procedures in these instructions for transmitting applications differ from those in the Education Department General Administrative Regulations (EDGAR) (34 CFR 75.102). Under the Administrative Procedure Act (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed regulations. However, these amendments make procedural changes only and do not establish new substantive policy. Therefore, under 5 U.S.C. 553(b)(A), the Secretary has determined that proposed rulemaking is not required.

Governmentwide Grants.gov Project for Electronic Submission of Applications

We have been accepting applications electronically through the Department's e-Application system since FY 2000. In order to expand on those efforts and comply with the President's Management Agenda, we are participating as a partner in the new governmentwide Grants.gov Apply site in FY 2004. The Rehabilitation Continuing Education Programs (RCEP)—Institute on Rehabilitation Issues (IRI), CFDA number 84.264A-3, is one of the programs included in this project. If you are an applicant under RCEP—IRI, you may submit your application to us in either electronic or paper format.

The project involves the use of the Grants.gov Apply site (Grants.gov). If you use Grants.gov, you will be able to download a copy of the application package, complete it offline, and then upload and submit the application via the Grants.gov site. You may not e-mail an electronic copy of a grant application to us. We request your participation in Grants.gov.

If you participate in Grants.gov, please note the following:

- Your participation is voluntary.
- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation. We strongly recommend that you do not wait until the application deadline date to begin the application process through Grants.gov.
- To use Grants.gov, you, as the applicant, must have a D-U-N-S Number and register in the Central Contractor Registry (CCR). You should allow a minimum of five days to complete the CCR registration.

- You will not receive additional point value because you submit a grant application in electronic format, nor will we penalize you if you submit an application in paper format.

- You may submit all documents electronically, including all information typically included on the Application for Federal Education Assistance (ED 424), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications.

- Your application must comply with any page limit requirements described in this notice.

- After you electronically submit your application, you will receive an automatic acknowledgement from Grants.gov that contains a Grants.gov tracking number. The Department will retrieve your application from Grants.gov and send you a second confirmation, which will include a PR/Award number (an ED-specified identifying number) unique to your application.

- We may request that you give us original signatures on forms at a later date.

- If you experience technical difficulties on the application deadline date and are unable to meet the 4:30 p.m. (Washington, DC time) deadline, print out your application and follow the instructions included in the application package for the transmittal of paper applications.

You may access the electronic grant application for RCEP—IRI at: <http://www.grants.gov>.
