

States Postal Service Contractual Bilateral Agreement for Inbound Competitive Services (Bilateral Agreement) to the Competitive Product List.<sup>1</sup> The Postal asserts that the Contractual Bilateral Agreement is a competitive product "not of general applicability" within the meaning of 39 U.S.C. 3632(b)(3). This Request has been assigned Docket No. MC2009–8.

The Postal Service contemporaneously filed notice, pursuant to 39 U.S.C. 3632(b)(3) and 39 CFR 3015.5, that the Governors have established prices and classifications not of general applicability for inbound competitive services as reflected in the Bilateral Agreement. More specifically, the Bilateral Agreement, which has been assigned Docket No. CP2009–9, governs the exchange of Inbound Parcel Post from Canada.

In support of its Request, the Postal Service filed a redacted version of the Governors' Decision establishing prices for the Bilateral Agreement. Attached to the Governors' Decision are: Proposed Mail Classification Schedule language, a redacted version of management's analysis of the Bilateral Agreement, certification of compliance with 39 U.S.C. 3633 (a), certification of the Governors' vote,<sup>2</sup> and a Statement of Supporting Justification as required by 39 CFR 3020.32.<sup>3</sup> In addition, the Postal Service indicates that it filed an unredacted copy of the Governors' Decision, the Bilateral Agreement, and other supporting documents designed to establish compliance with 39 CFR 3015.5 under seal. Request at 2, n.2.

In the Statement of Supporting Justification, Lea Emerson, Executive Director, International Postal Affairs, asserts that "[t]he addition of the [Bilateral] Agreement as a competitive product will enable the Commission to verify that the agreement covers its attributable costs and enables competitive products, as a whole, to make a positive contribution to coverage of institutional costs." *Id.* at 2. W. Ashley Lyons, Manager, Corporate Financial Planning, Finance Department, certifies that the contract complies with 39 U.S.C. 3633(a). Request, Attachment 1. He observes that the Bilateral Agreement "should not impair the ability of competitive products on the whole to cover an

appropriate share of institutional costs." *Id.*

As noted, the Postal Service filed much of the supporting materials, including the Governors' Decision and the Bilateral Agreement, under seal. It maintains that the Bilateral Agreement, related financial information, and the Governors' Decision should remain under seal as they contain pricing, cost, and other information that are highly confidential. Request at 2.<sup>4</sup>

The Postal Service has an existing bilateral agreement with Canada Post which is set to expire December 31, 2008. *Id.* at 3. The new prices and classifications modify the current agreement, extend it for 1 year, and are scheduled to take effect January 1, 2009, or "after filing with and review by the Postal Regulatory Commission, whichever is later." Governors' Decision at 2.

<sup>2</sup> See Attachment 1 to the Request.

<sup>3</sup> See Attachment 2 to the Request.

<sup>4</sup> The Postal Service indicates that the materials filed under seal constitute a subset of the overarching agreement between the parties, representing the parties' agreement concerning inbound competitive services. The Postal Service further indicates that the parties anticipate finalizing "this and related agreements by mid-December, and any lingering details will not affect the rates, classification, or other fundamental basis for this Request and Notice." Request at 5, n.12.

The Postal Service contemporaneously filed notice that the Governors have authorized a Type 2 rate adjustment to establish rates for inbound market dominant services as reflected in the Bilateral Agreement.<sup>2</sup> More specifically, the Bilateral Agreement, which has been assigned Docket No. R2009–1, governs the exchange of inbound air and surface letters post (LC/AO) and Xpresspost from Canada.<sup>3</sup>

The Request includes two attachments. Attachment 1 sets forth proposed Mail Classification Schedule language; Attachment 2 provides a Statement of Supporting Justification as required by 39 CFR 3020.32. In addition, the Postal Service indicates that it filed an unredacted copy of the contract and supporting materials under seal. Request at 2, n.2.

In the Statement of Supporting Justification, Lea Emerson, Executive Director, International Postal Affairs, reviews the factors of section 3622(c) and concludes, *inter alia*, that the revenues generated will cover the attributable costs of the services offered under the Bilateral Agreement; that the rates are preferable to default rates set by the Universal Postal Union; and that the rates represent a modest increase over those reflected in the existing bilateral agreement with Canada Post. Request, Attachment 2, at 2–4.

In its Request, the Postal Service provides information responsive to part 3010, subpart D of the Commission's rules. To that end, it addresses the requirements of section 3622(c)(10) as well as certain details of the negotiated service agreement. Request at 2–7. <sup>4</sup> The Postal Service indicates that the materials filed under seal constitute a subset of the overarching agreement between the parties. Although unstated, presumably the subset represents the parties' agreement concerning

The Postal Service has an existing bilateral agreement with Canada Post which is set to expire December 31, 2008. *Id.* at 8.
