

effects such as faulting or landslides. The USGS may use the information to provide qualitative, quantitative, or graphical descriptions of earthquake damage. We will release data collected on these forms only in a summary format.

Comments: To comply with the public consultation process, on December 6, 2011, we published a **Federal Register** notice (76 FR 76177) announcing our intent to submit this information collection to OMB for approval. In that notice we solicited public comments for 60 days, ending on February 6, 2012. We did not receive any comments concerning the notice.

We again invite comments concerning this information collection on: (1) Whether or not the collection of information is necessary, including whether or not the information will have practical utility; (2) the accuracy of our estimate of the burden for this collection of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents.

Please note that the comments submitted in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask OMB in your comment to withhold your personal identifying information from public review, we cannot guarantee that it will be done.

Dated: March 5, 2012.

Jill McCarthy,

Geologic Hazards Science Center, Chief Scientist.

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[LLUT030000-L17110000-PH0000-24-1A]

Notice of Grand Staircase-Escalante National Monument Advisory Committee Meeting

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Federal Land Policy and Management Act (FLPMA) and the Federal Advisory

Committee Act of 1972 (FACA), the Department of the Interior, Bureau of Land Management (BLM), Grand Staircase-Escalante National Monument Advisory Committee (GSENMAC) will meet as indicated below.

DATES: The GSENMAC will meet Tuesday, April 17, 2012, (1 p.m.–6 p.m.); Wednesday, April 18, 2012, (8 a.m.–5 p.m.); and Thursday, April 19, 2012, (8 a.m.–12 p.m.) in Escalante, Utah.

ADDRESSES: The Committee will meet at the Escalante Interagency Visitor Center, 755 West Main, Escalante, Utah.

FOR FURTHER INFORMATION CONTACT: Larry Crutchfield, Public Affairs Officer, Grand Staircase-Escalante National Monument, Bureau of Land Management, 669 South Highway 89A, Kanab, Utah, 84741; phone (435) 644-1209.

SUPPLEMENTARY INFORMATION: The 15-member GSENMAC was appointed by the Secretary of Interior on August 2, 2011, pursuant to the Monument Management Plan, the Federal Land Policy and Management Act of 1976 (FLPMA), and the Federal Advisory Committee Act of 1972 (FACA). As specified in the Monument Management Plan, the GSENMAC will have several primary tasks (1) Review evaluation reports produced by the Management Science Team and make recommendations on protocols and projects to meet overall objectives. (2) Review appropriate research proposals and make recommendations on project necessity and validity. (3) Make recommendations regarding allocation of research funds through review of research and project proposals as well as needs identified through the evaluation process above. (4) Could be consulted on issues such as protocols for specific projects.

Topics to be discussed by the GSENMAC during this meeting include approval of committee by-laws, review of the draft GSENM Science Plan, MAC participation in development of a Hole-In-The-Rock corridor management strategy, future meeting dates and other matters as may reasonably come before the GSENMAC. A field trip is planned for the morning of April 18 to familiarize GSENMAC members with the Hole-In-The-Rock corridor.

The entire meeting is open to the public. Members of the public are welcome to address the committee at 5 p.m., local time on April 17, 2012. Depending on the number of persons wishing to speak, a time limit could be established. Interested persons may make oral statements to the GSENMAC

during this time or written statements may be submitted for the GSENMAC's consideration. Written statements can be sent to: Grand Staircase-Escalante National Monument, Attn: Larry Crutchfield, 669 South Highway 89A, Kanab, Utah, 84741. Information to be distributed to the GSENMAC is requested 10 days prior to the start of the GSENMAC meeting.

All meetings are open to the public; however, transportation, lodging, and meals are the responsibility of the participating public.

Rene C. Berkhoudt,

Grand Staircase-Escalante National Monument Manager.

National Park Service

Draft General Management Plan/ Environmental Impact Statement for the Ice Age Complex at Cross Plains, Cross Plains, Wisconsin

AGENCY: National Park Service, Interior.

ACTION: Notice of availability.

SUMMARY: Under the National Environmental Policy Act of 1969, the National Park Service (NPS) announces the availability and requests comments on a draft General Management Plan/ Environmental Impact Statement for the Ice Age Complex at Cross Plains, Wisconsin.

DATES: The draft General Management Plan/Environmental Impact Statement (GMP/EIS) will remain available for public review and comment for 60 days following the Environmental Protection Agency's publication in the "**Federal Register**" of a notice of availability. Public meetings will be held during the 60-day review period on the GMP/EIS in the Cross Plains, Wisconsin area.

ADDRESSES: Copies of the draft GMP/EIS are available from the Superintendent, 700 Rayovac Drive, Suite 100, Madison, Wisconsin 53711.

Meeting times and locations will be announced in the local press, sent out to the mailing list for this project, and uploaded to the plan Web site at www.parkplanning.nps.gov/iatr.

You may submit your comments by any one of several methods. You may comment via the Internet through the Web site above. You may also send comments to Superintendent, Ice Age National Scenic Trail, 700 Rayovac Drive, Suite 100, Madison, Wisconsin 53711. You may contact the

Superintendent by phone at 402-441-5610 or by facsimile at 608-441-5606. Finally, you may hand-deliver comments to the Ice Age National Scenic Trail headquarters at the address above.

FOR FURTHER INFORMATION CONTACT:

Superintendent, Ice Age National Scenic Trail, 700 Rayovac Drive, Suite 100, Madison, Wisconsin 53711. Telephone 402-441-5610.

SUPPLEMENTARY INFORMATION: This GMP/EIS is a joint state and federal effort addressing lands within the Cross Plains Unit of the Ice Age National Scientific Reserve as well as the Interpretive Site for the Ice Age National Scenic Trail; these lands are referred to as the "Ice Age Complex at Cross Plains" for the purpose of this planning effort. This plan will guide the management of the Ice Age Complex at Cross Plains for the next 25 years.

The draft GMP/EIS considers five draft conceptual alternatives—a no-action and four action alternatives, including the NPS-preferred alternative. The draft GMP/EIS assesses impacts of the alternatives on soil resources, water quality, soundscapes, vegetation and wildlife, socioeconomics, and visitor use and experience. The preferred alternative focuses on providing visitors with interpretation of the evolution of the complex from the last glacial retreat to the present and opportunities to enjoy appropriate low-impact outdoor recreation. Ecological resources would largely be managed to reveal the glacial landscape. The most sensitive ecological areas would be carefully protected, and visitor access would be highly controlled in these areas. Visitors would experience a wide variety of indoor and outdoor interpretive programming. Under this alternative, the Ice Age Complex would serve as the headquarters for the Ice Age National Scenic Trail.

Before including your address, telephone number, electronic mail address, or other personal identifying information in your comments, you should be aware that your entire comment (including your personal identifying information) may be made publicly available at any time. While you can ask us in your comments to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety.

Dated: February 17, 2012.

Michael T. Reynolds,

Regional Director, Midwest Region.

Environmental Impact Statement for Proposed General Management Plan, Pinnacles National Monument, San Benito and Monterey Counties, CA

AGENCY: National Park Service, Interior.

ACTION: Notice of Termination of Environmental Impact Statement.

SUMMARY: The National Park Service is terminating the preparation of an Environmental Impact Statement (EIS) for the General Management Plan, Pinnacles National Monument, California. A Notice of Intent to prepare an EIS for the General Management Plan (GMP) was published in the **Federal Register** on April 6, 2007. Based in part on the minimal nature of public response to the Notice of Intent, the National Park Service has since determined that an Environmental Assessment (EA) rather than an EIS will suffice as the documentation for the environmental analysis for this general management planning effort.

SUPPLEMENTARY INFORMATION: This new GMP will update the overall direction for the national monument, setting broad goals for managing the area over the next 15 to 20 years. As noted above, the GMP was originally scoped as an EIS. However, few substantive comments were received during the public scoping process, and no issues having potential for significant or controversial impacts were identified. The current Master Plan was approved in 1975.

In the general management planning process to date, the NPS planning team developed four preliminary alternatives for the management of the monument, none of which would result in substantial changes in the operation and management of the area. The three "action" alternatives define desired future conditions for new lands recently acquired, and address parkwide cultural and natural resource protection, wilderness stewardship, administration and operations, and opportunities for expanding interpretation and visitor opportunities where appropriate. Preliminary analysis of the alternatives has revealed no potential for major (nor

significant) effects on the quality of the human environment, nor any potential for impairment of monument resources and values. Most of the impacts which could result from the alternatives are expected to be negligible to minor in magnitude, with the remainder being of a minor to moderate level.

For these reasons the NPS has determined that the requisite conservation planning and environmental impact analysis necessary for developing the GMP may be completed through preparation of an EA. For further information about this determination or other aspects of the GMP process, please contact: Karen Beppler-Dorn, Superintendent, Pinnacles National Monument, 5000 Highway 146, Paicines, CA 95043 (telephone: (831) 389-4486x222; email: PINN_Superintendent@nps.gov).

Decision Process: The draft general management plan/EA is expected to be distributed for public comment in the spring of 2012. The NPS will notify the public about release of the draft general management plan/EA by mail, local and regional media, Web site postings, and other means. All announcements will include information on where and how to obtain a copy of the EA, how to comment on the EA, and the inclusive dates of the public comment period. Following due consideration of public comments and agency consults, at this time a decision is expected to be made in the fall of 2012. The official responsible for the final decision on the GMP is the Regional Director; subsequently the responsible official for implementing the approved GMP is the Superintendent, Pinnacles National Monument.

Dated: February 28, 2012.

Christine S. Lehnertz,

Acting Regional Director, Pacific West Region.
