**SUPPLEMENTARY INFORMATION:**

#### Background

The Bureau of Export Administration (BXA) is amending the Export Administration Regulations (EAR) to continue its efforts to simplify the EAR and to reflect current business practice and world circumstance. Specifically, this rule amends the EAR by revising the list of countries included in Country Group E:1 in Supplement No. 1 to part 740.

This rule revises Country Group E:1, in Supplement no. 1 to part 740 of the EAR. This country group currently lists the countries subject to United Nations embargo, is revised by listing countries designated by the Department of State as those countries whose governments have repeatedly provided support for acts of international terrorism (Cuba, Iran, Iraq, Libya, North Korea, Sudan and Syria). Therefore, this rule removes Angola, Bosnia and Herzegovina, and Rwanda from Country Group E:1, and adds Iran, Sudan and Syria. This rule does not change export control policy or license requirements for these countries or for Angola, Serbia and Montenegro, or Rwanda set forth in parts 742 and 746. This rule also makes conforming changes in § 734.4—De minimis U.S. content, § 740.9—Temporary imports, export, and reexports (TMP), § 740.10—Servicing and replacement of parts and equipment (RPL) by replacing references to those countries with the phrase “Country Group E:1.”

This rule also expands the scope of eligible countries for License Exception TMP for exhibition and demonstration by making Country Group D:1 eligible for this provision. Under License Exception TMP, you may now export or reexport commodities and software for exhibition or demonstration in any country, including countries in Country Group D:1, except a country listed in Country Group E:1, subject to the terms and conditions of License Exception TMP and the restrictions that apply to all License Exceptions in § 740.2 of the EAR.

This rule clarifies that a license exception may be applicable to items for which a license would otherwise be required under General Prohibition one, two, three, or eight.
