ENVIRONMENTAL PROTECTION AGENCY

[FRL-9788-7]

Public Water System Supervision Program Approval for the State of Indiana

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of tentative approval.

SUMMARY: Notice is hereby given that the EPA has tentatively approved three revisions to the State of Indiana's public water system supervision program. The Indiana Department of Environmental Management (IDEM) has revised several of its rules to comply with the National Primary Drinking Water Regulations, including the Interim Enhanced Surface Water Treatment Rule (IESWTR), the Stage 1 Disinfectants and Disinfection Byproducts Rule (Stage 1 DDBPR), and the Filter Backwash Recycling Rule (FBRR). EPA has determined that Indiana's revised rules are no less stringent than the corresponding federal regulations. Therefore, EPA intends to approve these revisions to the State of Indiana's public water system supervision program, thereby giving IDEM primary enforcement responsibility for these regulations. IDEM adopted the IESWTR, Stage 1 DDBPR, and the FBRR on December 1, 2002.

Any interested party may request a public hearing. A request for a public hearing must be submitted by April 8, 2013, to the Regional Administrator at the EPA Region 5 address shown below. The Regional Administrator may deny frivolous or insubstantial requests for a hearing. However, if a substantial request for a public hearing is made by April 8, 2013, EPA Region 5 will hold a public hearing, and a notice of such hearing will be given in the **Federal Register** and a newspaper of general circulation. If EPA Region 5 does not receive a timely and appropriate request for a hearing and the Regional Administrator does not elect to hold a hearing on her own motion, this determination shall become final and effective on April 8, 2013. Any request for a public hearing shall include the following information: the name,

address, and telephone number of the individual, organization, or other entity requesting a hearing; a brief statement of the requesting person's interest in the Regional Administrator's determination and a brief statement of the information that the requesting person intends to submit at such hearing; and the signature of the individual making the request, or, if the request is made on behalf of an organization or other entity, the signature of a responsible official of the organization or other entity.

ADDRESSES: All documents relating to this determination are available for inspection at the following offices: Indiana Department of Environmental Management, 100 North Senate Avenue, Indianapolis, Indiana 46204, between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday, and the United States Environmental Protection Agency, Region 5, Ground Water and Drinking Water Branch (WG-15J), 77 West Jackson Boulevard, Chicago, Illinois 60604, between the hours of 9:00 a.m. and 4:30 p.m., Monday through Friday.

FOR FURTHER INFORMATION CONTACT: William Spaulding, EPA Region 5, Ground Water and Drinking Water Branch, at the address given above, by telephone at (312) 886-9262, or at spaulding.william@epa.gov.

Authority: Section 1413 of the Safe Drinking Water Act, 42 U.S.C. 300g-2, and the federal regulations implementing Section 1413 of the Act set forth at 40 CFR part 142.

Dated: February 22, 2013.

Susan Hedman,

Regional Administrator, Region 5.
