SUPPLEMENTARY INFORMATION:

I. Abstract

The purpose of the Public Telecommunications Facilities Program is to assist, through matching funds, in the planning and construction of public telecommunications facilities in order to achieve the following objectives:

- Extend delivery of public telecommunications services to as many citizens in the United States as possible by the most efficient and economical means, including the use of broadcast and nonbroadcast technologies;
- Increase public telecommunications services and facilities available to, operated by, and owned by minorities and women; and
- Strengthen the capability of existing public radio and television stations to provide public telecommunications services to the public.

The reports submitted by the grantees include:

- Construction schedule/planning timetable (one time).
- Performance reports (quarterly).
- Close-out materials after completion of the project (one time).
- Annual reports for the duration of the government's interest in the equipment (annually for a ten-year period).

Certain Frozen Warmwater Shrimp from Ecuador: Notice of Extension of Time Limit for the Final Results of the Third Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: June 12, 2009.

FOR FURTHER INFORMATION CONTACT:

Gemal Brangman at (202) 482-3773, or David Goldberger at (202) 482-4136, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On March 9, 2009, the Department of Commerce (the Department) published a notice for the preliminary results of the administrative review of the antidumping duty order on certain frozen warmwater shrimp from Ecuador covering the period February 1, 2007, through August 14, 2007. *See Certain Frozen Warmwater Shrimp from Ecuador: Preliminary Results of Antidumping Duty Administrative Review*, 74 FR 9983 (March 9, 2009). The final results for this administrative review are currently due no later than July 7, 2009, 120 days from the date of publication of the preliminary results of review.

Extension of Time Limit for the Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the deadline for the final results to a maximum of 180 days after the date on which the preliminary results are published.

The Department determines that completion of the final results of the review within the original time limit is not practicable. Due to the complexity of the issues raised in this review, the Department requires additional time to review and analyze them in order to complete this review. Therefore, the Department is extending the time limit for completion of the final results of this review by 60 days, in accordance with section 751(a)(3)(A) of the Act. The final results are now due no later than September 8, 2009.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: June 8, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
