- (iii) Indicate the extent to which like or directly competitive articles are produced in the United States or are otherwise available in the United States, with respect to the articles potentially subject to the orders; and
- (iv) Indicate whether Complainant, Complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to an exclusion order and a cease and desist order within a commercially reasonable time.

Written submissions must be filed no later than by close of business, five business days after the date of publication of this notice in the **Federal Register**. There will be further opportunities for comment on the public interest after the issuance of any final initial determination in this investigation.

Notice is hereby given that on November 19, 2010, a proposed Consent Decree in *The United States of America, the Coeur d'Alene Tribe, and the State of Idaho v. Atlantic Richfield Company*, Civ. No. 10-578-EJL, was lodged with the United States District Court for the District of Idaho.

Plaintiffs the United States, the Tribe and the State filed a complaint concurrently with the Consent Decree alleging that Defendant Atlantic Richfield Company is liable pursuant to Section 107(a)(2) of CERCLA for response costs incurred and to be incurred by the United States and the State and for natural resources damages in connection with releases of hazardous substances at or from Operable Unit 3 of the Bunker Hill Mining and Metallurgical Complex Superfund Site (Bunker Hill Site) in northern Idaho. The Complaint alleges Defendant, and its predecessor The Anaconda Company, owned and/or operated mining or milling related facilities within Operable Unit 3. The proposed Consent Decree grants the Defendant a covenant not to sue for response costs, as well as natural resource damages, in connection with the Bunker Hill Site. The United States Environmental Protection Agency incurred response costs, and the United States Department of the Interior, the United States Department of Agriculture, the Tribe and the State are trustees of injured natural resources. The settlement requires the Defendant to pay a total of \$6.75 million (\$5,062,500 will be paid to EPA for response costs and \$1,687,500 will be paid to the natural resource trustees for natural resources damages).
