

104(e)]. The statute also requires [Section 104(e)(2)] that HUD conduct an annual review to determine whether States have distributed funds to units of general local government in a timely manner. HUD has re-designed a form by which the grantees can report their compliance with this requirement.

Agency form numbers, if applicable: The collection of this information will be submitted on HUD's timely distribution form or in similar format from State records or systems.

Members of affected public: This information collection applies to 50 State CDBG Grantees (49 States and Puerto Rico but not Hawaii).

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The estimated number of respondents is 50. The proposed frequency of the response to the collection of information is annual at 1.5 hours per response with a total of 75 hours additional reporting burden. The record keeping burden for program compliance is already included under the currently approved information collection. The estimate of the annual reporting and recordkeeping is increased to 112,175 hours for 50 grant recipients. The 75 hour increase due to the addition of the timely distribution form represents .067% of the original burden.

Status of the proposed information collection:

Revision of a currently approved collection, and a request for OMB renewal for three years. The current OMB approval will expire in April 30, 2012.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35, as amended.

Dated: August 17, 2010.

Mercedes Márquez,

Assistant Secretary for Community Planning and Development.
