Extension of Time Limits for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to complete the final results of an administrative review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend the 120 day time period for the final results up to 180 days.

The Department finds that it is not practicable to complete this review within the original time frame because additional analysis must be performed with respect to several complex issues raised by the parties, such as Mexinox's cost of production, etc. Accordingly, the Department is extending fully the time limit for completion of the final results of this administrative review until no later than February 3, 2010, which is 180 days after the date on which the preliminary results of review were published.

This extension is issued and published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: December 3, 2009.

John M. Andersen,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
