j. *Background and Description of Proposal*: On July 11, 2005, the Commission issued a new license for the continued operation of the Box Canyon Project. On November 17, 2006, the Commission issued its order on rehearing of the July 11 relicense order. The relicense order, as amended by the order on rehearing, contains, in their entirety, conditions submitted by the Department of the Interior (Interior) and the U.S. Forest Service pursuant to section 4(e) of the Federal Power Act (FPA) and the fish passage measures prescribed by Interior pursuant to FPA section 18. On November 21, 2006, the Pend Oreille PUD petitioned the Court of Appeals for the District of Columbia for review of the Commission's July 2005 licensing order and its November 2006 order on rehearing, alleging the 4(e) conditions and section 18 prescriptions were not based on substantial evidence. In February 2007 the case was referred to mediation. The parties have settled the issues and developed revised conditions and prescriptions as a result.

The revised section 4(e) conditions and section 18 prescriptions are included as appendices A through D of the settlement agreement filed with the

application for amendment of license. Additional provisions to be included in the license are set forth in appendix E. The settlement agreement also requires Interior and the Forest Service to file revised section 4(e) conditions that will replace certain conditions set forth in the July 11, 2005 licensing order. On April 7 and 9, 2009, respectively, the Forest Service and Interior filed their revised conditions and fishway prescriptions for the project. The Pend Oreille PUD requests that the Commission amend the new license to substitute the revised conditions and prescriptions submitted by the Forest Service and Interior and the additional provisions set forth in Appendix E to the settlement agreement. The Pend Oreille PUD also requests that the Commission make conforming revisions to license articles 401, 402 and 406 to reflect new schedules and other revisions set forth in the revised conditions and prescriptions.

k. *Locations of the Application*: The settlement agreement and application, Interior's revised section 4(e) and section 18 fishway prescriptions and the Forest Service's revised section 4(e) terms and conditions, are available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link.
