

commodities which otherwise might be provided to States for distribution under TEFAP. However, the Consolidated Appropriations Act, 2004 (Public Law 108-199) permits States to convert any or all of their fair share of \$10 million of these funds to administrative funds to pay costs associated with the distribution of TEFAP commodities at the State and local level. States have in the current fiscal year chosen to use \$744,206 of their "fair shares" of this \$10 million to increase their commodity entitlements.

In addition, \$50 million was appropriated under the Commodity Assistance Program heading of the Consolidated Appropriations Act, 2004, as administrative funds. State agencies have the option of requesting that the Department use any or all of their "fair shares" of this \$50 million to purchase additional commodities for them.

For FY 2004, the Department anticipates purchasing the following commodities for distribution through TEFAP: dehydrated potatoes, corn syrup, egg mix, blackeye beans, great northern beans, kidney beans, lima beans, pinto beans, dried plums, raisins, bakery mix, lowfat bakery mix, egg noodles, white and yellow corn grits, macaroni, oats, peanut butter, rice, spaghetti, vegetable oil, rice cereal, corn flakes, corn squares, oat cereal, bran flakes, frozen ground beef, frozen chicken, frozen ham, frozen turkey roast, and the following canned items: green beans, refried beans, vegetarian beans, carrots, cream corn, whole kernel corn, sliced potatoes, spaghetti sauce, tomatoes, tomato sauce, tomato soup, vegetarian soup, apple juice, cranapple juice, grapefruit juice, orange juice, pineapple juice, tomato juice, apricots, peaches, pineapples, applesauce, pears, plums, beef, beef stew, chicken, pork, tuna, and roasted peanuts. The amounts of each item purchased will depend on the prices the Department must pay, as well as the quantity of each item requested by the States. Changes in agricultural market conditions may result in the availability of additional types of commodities or the non-availability of one or more types listed above.
