DEPARTMENT OF HEALTH AND HUMAN SERVICES

Administration for Children and Families

Submission for OMB Review; Monitoring and Compliance for ORR Care Provider Facilities (0970–0564)

AGENCY: Office of Refugee Resettlement, Administration for Children and Families, Department of Health and Human Services.

ACTION: Request for public comment.

SUMMARY: The Office of Refugee Resettlement (ORR), Administration for Children and Families (ACF), U.S.

Department of Health and Human Services (HHS), is proposing to continue to collect information that will allow the Unaccompanied Children (UC) Program to monitor its care provider facilities for compliance with federal and state laws and regulations, licensing and accreditation standards, ORR policies and procedures, and child welfare standards. These information collections were originally approved under emergency approval for 6 months. This request is to continue data collection.

DATES: *Comments due within 30 days of publication.* OMB is required to make a decision concerning the collection of information between 30 and 60 days after publication of this document in the **Federal Register**. Therefore, a comment is best assured of having its full effect if OMB receives it within 30 days of publication.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

SUPPLEMENTARY INFORMATION:

Description: ORR received several comments on this information collection in response to the **Federal Register** Notice published on January 21, 2021, (86 FR 6340) and has provided responses to those comments in its final submission to OMB. UC Path is critical to program operations and it is important that rollout of the new system not be delayed. Therefore, the below description details what will be included in the initial launch of the UC Path case management system and revisions based on public comments will be made after initial launch. ORR plans to conduct a deliberative review of commenters’ suggestions and concerns and submit a request for revisions to this information collection request in January 2022. The upcoming information collection request will also include revisions based on feedback from UC Path system users (*i.e.*, ORR grantee, contractor, and federal staff).

The components of this information request include:

1. *Corrective Action Report (Form M–1):* This instrument is used by ORR Monitoring Team staff (includes federal and contractor staff), ORR Federal Field Specialists, and ORR Project Officers to document care provider non-compliance with minimum standards for the care and timely release of UC;

federal and state laws and regulations; licensing standards; ORR policies and procedures; and child welfare standards. Care providers respond to each corrective action cited by ORR staff by entering a detail corrective action plan into the instrument and attaching any relevant supporting documents. Then, ORR staff document when each corrective action plan is completed to ORR’s satisfaction and enter a final determination.

2. *FFS Compliance and Safety Site Visit Report (Form M–3A):* This instrument is used by ORR Federal Field Specialists to document site visit observations and interview responses.

3. *Out-of-Network Site Visit Report (Form M–3B):* This instrument is used by ORR Federal Field Specialists to document site visit observations and interview responses for out-of-network providers.

Checklists for a Child-Friendly Environment

These instruments are used by care providers on a voluntary basis to help ensure compliance with ORR policies and procedures related to maintaining a safe, child-friendly environment. ORR may also ask care providers to complete the checklist prior to a site visit.

4. Checklist for a Child-Friendly Environment—Care Provider Facility (Form M–4A)
5. Checklist for a Child-Friendly Environment—Individual Foster Home (Form M–4B)

These instruments are used by ORR care provider staff to provide information to ORR on allegations of sexual abuse or sexual harassment that occurred in ORR care that were investigated by local child protective services, state licensing, local law enforcement, the HHS Office of the Inspector General, and/or the Federal Bureau of Investigation. Care providers submit the instrument to ORR’s Prevention of Sexual Abuse Team for review. Incident reviews help ensure that care providers have appropriate protective measures in place to prevent a similar incident from occurring again.

6. *UC Incident Review (Form M–5A):* This instrument is completed for allegations of sexual abuse or sexual harassment that occurred in ORR care between two children. Changed the full name of the form from “Sexual Abuse and Sexual Harassment UAC Incident Review” to “PSA UC Incident Review.”

7. *Adult Incident Review (Form M–5B):* This instrument is completed for allegations of sexual abuse, sexual harassment, or inappropriate sexual

behavior that occurred in ORR care between a child and an adult. Changed the full name of the form from “Sexual Abuse and Sexual Harassment Adult Incident Review” to “PSA Adult Incident Review.”

However, the revision in terminology will be made before the system is launched.

- UC Questionnaires (Forms M-12A, M-12B, and M-12E)—Add a new version of the questionnaire designed for children ages 5 and under. Translate all three versions of the questionnaire into Spanish.

- Secure Client Questionnaire (Form M-12D)—Reformat the form, update the directions, and re-phrased some of the questions so that they are in line with ORR's other child questionnaires (Forms M12-A to M-12C).

- Shelter Site Visit Guide (Form (Form M-7A)—Revised question 6 in the “Background Checks” section to request a background check list for all staff, not just staff hired within the past 2 years. This is a time sensitive request because many of these forms are already in use and must continue to be in use in order for the UC Program to meet its statutory obligations.

SUPPLEMENTARY INFORMATION:

Description: ORR received several comments on this information collection in response to the **Federal Register** Notice published on February 18, 2021, (86 FR 10082) and has provided responses to those comments in its final submission to OMB. UC Path is critical to program operations, and it is important that rollout of the new system not be delayed. Therefore, the below description details what will be included in the initial launch of the UC Path case management system and revisions based on public comments will be made after initial launch. ORR plans to conduct a deliberative review of commenters’ suggestions and concerns and submit a request for revisions to this information collection request in January 2022. The upcoming information collection request will also include revisions based on feedback from UC Path system users (*i.e.*, ORR grantee, contractor, and federal staff). The components of this information request include:

1. Legal Service Provider List for UC in ORR Care (Form LRG–5/5s): This instrument is provided to UC by their case manager. The instrument contains a list of legal services providers available to UC. UC initial and sign the instrument upon admission and release of ORR custody to acknowledge receipt of documents contained in ORR’s Legal Resource Guide.

2. Request for a Flores Bond Hearing (Form LRG–7/7s): This instrument is provided to UC placed by their case manager. The instrument is always

provided to UC placed in a restrictive setting (secure, staff secure, and residential treatment center facilities) and to UC placed in other types of facilities upon request. UC may use this instrument to request or withdraw a request for a *Flores* bond hearing.

3. Motion to Request a Bond Hearing—Secure or Staff Secure Custody (Form LRG–8A): This instrument is completed by case managers upon receipt of a *Request for a Flores Bond Hearing* for a UC in secure or staff secure custody and provided to ORR. ORR files the motion with the local immigration court.

4. Motion to Request a Bond Hearing—Non-Secure Custody (Form LRG–8B): This instrument is completed by case managers upon receipt of a *Request for a Flores Bond Hearing* for a UC placed in a non-secure program (*e.g.*, shelter, foster care) and provided to ORR. ORR files the motion with the local immigration court.

5. Request for Specific Consent to Juvenile Court Jurisdiction (Form L–1): This instrument is used by legal service providers and attorneys of record to request specific consent from ORR in cases where they are seeking Special Immigrant Juvenile legal relief for their UC client and are also seeking to invoke the jurisdiction of a state court to determine or alter the UC’s custody status or placement.

6. Specific Consent Request Case Summary (Form L–2): This instrument is completed by ORR Federal Field Specialists (FFS) when ORR receives a request for specific consent. FFS provide case information that will allow the ORR Director to make an informed decision on whether to grant specific consent.

7. Notice of Attorney Representation (Form L–3): This instrument is completed by attorneys of record for UC to notify ORR of the purpose of legal representation and the representation timeframe. ORR uses this instrument to ensure that case updates are provided to attorneys of record. This instrument may also be used by attorneys of record
