

The Exchange has requested that the Commission waive the 30-day operative delay. The proposed rule change: Specifies the continuing education requirements that currently apply to registered persons; adopts a continuing education requirement, the S501, and a related fee for persons registered as Proprietary Traders; and corrects the Exchange's fee schedule to reflect the proper fee, \$100 rather than \$75, for the S101 and S201. Waiver of the operative delay would allow the Exchange to clarify and correct its rules and implement the proposed rule change at once, enabling its Members to comply with their continuing education requirements in a timely manner, and thus is consistent with the protection of investors and the public interest. Therefore, the Commission designates the proposal operative upon filing.¹⁹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.
