ENVIRONMENTAL PROTECTION AGENCY

[FRL-7863-8]

Proposed Administrative Settlement Under the Comprehensive Environmental Response, Compensation, and Liability Act

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice; request for public comment.

SUMMARY: The U.S. Environmental Protection Agency is proposing to enter into a *de minimis* settlement pursuant to section 122(g)(4) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (“CERCLA”), 42 U.S.C. 9622(g)(4). This proposed settlement is intended to resolve the liability of Technitrol, Inc. (“Settling party”) under CERCLA for response costs incurred and to be incurred at the Malvern TCE Superfund

Site, East Whiteland and Charlestown Townships, Chester County, Pennsylvania.

DATES: Comments must be provided on or before February 25, 2005.

ADDRESSES: Comments should be addressed to Lydia Guy, Regional Hearing Clerk, U.S. Environmental Protection Agency, Region III, 1650 Arch Street, Philadelphia, PA 19103–2029, and should refer to the Malvern TCE Superfund Site, East Whiteland Township, Chester County, Pennsylvania.

FOR FURTHER INFORMATION CONTACT: Joan A. Johnson (3RC41), (215) 814–2619, U.S. Environmental Protection Agency, 1650 Arch Street, Philadelphia, Pennsylvania 19103–2029.

SUPPLEMENTARY INFORMATION: Notice of *de minimis* settlement: In accordance with section 122(i)(1) of CERCLA, 42 U.S.C. 9622(i)(1), notice is hereby given of a proposed administrative settlement concerning the Malvern TCE Superfund Site, in East Whiteland and Charlestown Townships, Chester County, Pennsylvania. The administrative settlement is subject to review by the public pursuant to this Notice. The proposed agreement has been reviewed and approved by the United States Department of Justice.

The Settling Party has agreed to pay \$38,854.00 to the Hazardous Substances Trust Fund subject to the contingency that EPA may elect not to complete the settlement if comments received from the public during this comment period disclose facts or considerations which indicate the proposed settlement is inappropriate, improper, or inadequate. This amount to be paid by the Settling Party was based upon EPA's determination of Settling Party's fair share of liability of Settling Party relating to the Site. Monies collected from the Settling Party will be applied towards past and future response costs incurred at or in connection with the site. The settlement includes a premium payment equal to either 125% of the estimated future response costs incurred in connection with the Site. The settlement also includes a reservation of rights by EPA, pursuant to which EPA reserves its rights to seek recovery from the Settling Party of response costs incurred by EPA in connection with the site to the extent such costs exceed \$31.2 million.

EPA is entering into this agreement under the authority of sections 107 and 122(g) of CERCLA, 42 U.S.C. 9607 and 9622(g). Section 122(g) authorizes settlements with *de minimis* parties to allow them to resolve their liabilities at

Superfund Sites without incurring substantial transaction costs. Under this authority, EPA proposes to settle with Settling Party in connection with the Site, based upon a determination that Settling Party is responsible for 0.75 percent or less of the volume of hazardous substance sent to the Site. As part of this *de minimis* settlement, EPA will provide to the Settling Party a covenant not to sue or take administrative action against the Settling Party for reimbursement of response costs or injunctive relief pursuant to sections 106 and 107 of CERCLA, 42 U.S.C. 9606 and 9607, or for injunctive relief pursuant to section 7003 of the Resource Conservation and Recovery Act ("RCRA"), 42 U.S.C. 6973, with regard to the Site.

The Environmental Protection Agency will receive written comments relating to this settlement for thirty (30) days from the date of publication of this notice. The Agency will consider all comments received and may modify or withdraw its consent to the settlement if comments received disclose facts or considerations which indicate that the settlement is inappropriate, improper, or inadequate. Commenters may request an opportunity for a public meeting in the affected area in accordance with section 7003(d) of RCRA, 42 U.S.C. 6973(d). A copy of the proposed Administrative Order on Consent can be obtained from Joan A. Johnson, U.S. Environmental Protection Agency, Region III, Office of Regional Counsel, 1650 Arch Street, Philadelphia, Pennsylvania, 19103–2029, or by contacting Joan A. Johnson at (215) 814–2619.
