

obtained which contradicts the relevance of the benefit data relied upon in previous segments of this proceeding. Thus, in the instant case, the Department finds that the information used has been corroborated to the extent practicable.

For further discussion, *see* the "Use of Facts Available" section of the Decision Memorandum.

Final Results of Review

In accordance with sections 777A(e)(1) and 751(a)(1)(A) of the Act and 19 CFR 351.221(b)(5), we calculated an *ad valorem* subsidy rate for Nima, the only producer/exporter subject to this review, for the POR, calendar year 2004.

Producer/Exporter	Net Subsidy Rate
Tehran Negah Nima Trading Company, Inc., trading as Nima Trading Company (Nima)	66.50 percent <i>ad valorem</i>

As Nima is the exporter but not the producer of subject merchandise, the Department's final results of review apply only to subject merchandise exported by Nima and produced by any company which produces the subject merchandise. *See* 19 CFR 351.107(b) (providing that the Department may establish a combination rate for each combination of exporter and its supplying producer).

Therefore, we will issue the following cash deposit requirements, within 15 days of publication of the final results of the instant review, for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication: (1) for merchandise exported by Nima, the cash deposit rate will be 66.50 percent *ad valorem*, *i.e.*, the rate calculated in the final results of the instant administrative review; (2) if the exporter is not a firm covered in this review, a prior review, or the original CVD investigation, but the producer is, the cash deposit rate will be the rate established for the most recent period for the producer of the merchandise; and (3) if neither the exporter nor the producer is a firm covered in this review, a prior review, or the original investigation, the cash deposit rate will continue to be 317.89 percent *ad valorem*, the "All Others" rate from the final determination in the original investigation. We will also issue assessment instructions to U.S. Customs and Border Protection (CBP) 15 days after the date of publication of these final results of review.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This administrative review and notice are issued and published in accordance with sections 751(a)(1), 751(a)(3) and 777(i)(1) of the Act and 19 CFR 351.221(b)(5).

Dated: November 6, 2006.
