AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has determined not to review an initial determination (“ID”) (Order No. 14) issued by the administrative law judge (“ALJ”) on February 18, 2020, granting summary determination that the defaulting respondents have violated section 337 of the Tariff Act of 1930, as amended. The Commission requests written submissions from the parties, interested government agencies, and interested persons on the issues of remedy, the

public interest, and bonding, under the schedule set forth below.

FOR FURTHER INFORMATION CONTACT:

Amanda Fisherow, Office of the General Counsel, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone 202–205–3427. SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on June 18, 2019, based on a complaint filed by 3–A Sanitary Standards, Inc. of McLean, Virginia (“Complainant”). 84 FR 28335 (June 18, 2019). The complaint, as supplemented, alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, based upon the importation or sale of certain food processing equipment and packaging materials thereof by reason of false advertising and unfair competition, the threat or effect of which is to destroy or substantially injure an industry in the United States. The notice of investigation named as respondents Wenzhou QiMing Stainless Co., Ltd. of Wenzhou, China (“Wenzhou QiMing”); High MPa Valve Manufacturing Co., Ltd. of Wenzhou, China (“High MPa Valve”); Wenzhou Sinco Steel Co., Ltd. of Wenzhou, China (“Wenzhou Sinco”); Wenzhou Kasin Valve Pipe Fitting Co., Ltd. of Wenzhou, China (“Wenzhou Kasin”); and Wenzhou Fuchuang Machinery (“Wenzhou Fuchuang”) (collectively, “defaulting respondents”). *Id.* The Office of Unfair Import Investigations (“OUII”) was also named as a party to the investigation. *Id.*

On October 15, 2019, the Commission found respondents Wenzhou QiMing, High MPa Valve, Wenzhou Sinco, and Wenzhou Kasin in default. Order No. 8 (Sept. 19, 2019), *unreviewed*, Notice (Oct. 15, 2019). On December 18, 2019, the Commission found Wenzhou Fuchuang in default. Order No. 13 (Nov. 19, 2019), *unreviewed*, Notice (Dec. 18, 2019).

On November 7, 2019, 3–A SSI moved for summary determination of a violation of section 337 by the defaulting respondents. On November

20, 2019, and December 3, 2019, 3–A SSI supplemented its motion and exhibits. On December 13, 2019, OUII filed a response supporting 3–A SSI’s motion.

On February 18, 2020, the presiding ALJ issued Order No. 14, an ID granting 3–A SSI’s motion for summary determination of a violation of section 337 by the defaulting respondents. No party petitioned for review of the ID.

The Commission has determined not to review the subject ID.

In connection with the final disposition of this investigation, the statute authorizes issuance of, *inter alia*, an exclusion order that could result in the exclusion of the subject articles from entry into the United States. Accordingly, the Commission is interested in receiving written submissions that address the form of remedy, if any, that should be ordered. If a party seeks exclusion of an article from entry into the United States for purposes other than entry for consumption, the party should so indicate and provide information establishing that activities involving other types of entry either are adversely affecting it or likely to do so. For background, see *Certain Devices for Connecting Computers via Telephone Lines*, Inv. No. 337–TA–360, USITC Pub. No. 2843, Comm’n Op. at 7–10 (Dec. 1994).

The statute requires the Commission to consider the effects of that remedy upon the public interest. The public interest factors the Commission will consider include the effect that an exclusion order would have on: (1) The public health and welfare, (2) competitive conditions in the U.S. economy, (3) U.S. production of articles that are like or directly competitive with those that are subject to investigation, and (4) U.S. consumers. The Commission is therefore interested in receiving written submissions that address the aforementioned public interest factors in the context of this investigation.

If the Commission orders some form of remedy, the U.S. Trade Representative, as delegated by the President, has 60 days to approve, disapprove, or take no action on the Commission’s determination. See Presidential Memorandum of July 21, 2005, 70 FR 43251 (July 26, 2005). During this period, the subject articles would be entitled to enter the United States under bond, in an amount determined by the Commission and prescribed by the Secretary of the Treasury. The Commission is therefore interested in receiving submissions concerning the amount of the bond that

should be imposed if a remedy is ordered.

Written Submissions: Parties to the investigation, interested government agencies, and any other interested parties are encouraged to file written submissions on the issues of remedy, the public interest, and bonding. Such initial submissions should include views on the recommended determination by the ALJ on remedy and bonding.

In their initial submissions, Complainant and OUII are also requested to identify the remedy sought and to submit proposed remedial orders for the Commission's consideration. Complainant is also requested to state the HTSUS subheadings under which the accused products are imported and to supply the identification information for all known importers of the products at issue in this investigation. The initial written submissions and proposed remedial orders must be filed no later than close of business on April 14, 2020. Reply submissions must be filed no later than the close of business on April 21, 2020. No further submissions on these issues will be permitted unless otherwise ordered by the Commission.

Persons filing written submissions must file the original document electronically on or before the deadlines stated above. The Commission's paper filing requirements in 19 CFR 210.4(f) are currently waived. 85 FR 15798 (March 19, 2020). Submissions should refer to the investigation number (Inv. No. 337-TA-1161) in a prominent place on the cover page and/or the first page. (See Handbook for Electronic Filing Procedures, https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf). Persons with questions regarding filing should contact the Secretary, (202) 205-2000.

Any person desiring to submit a document to the Commission in confidence must request confidential treatment. All such requests should be directed to the Secretary to the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR 201.6. Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. A redacted non-confidential version of the document must also be filed simultaneously with any confidential filing. All information, including confidential business information and documents for which confidential treatment is properly sought, submitted to the Commission for purposes of this investigation may be disclosed to and used: (i) By the Commission, its employees and Offices,

and contract personnel (a) for developing or maintaining the records of this or a related proceeding, or (b) in internal investigations, audits, reviews, and evaluations relating to the programs, personnel, and operations of the Commission including under 5 U.S.C. Appendix 3; or (ii) by U.S. government employees and contract personnel, solely for cybersecurity purposes. All contract personnel will sign appropriate nondisclosure agreements. All nonconfidential written submissions will be available for public inspection on EDIS.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR. part 210).

By order of the Commission.

Issued: April 3, 2020.

Lisa Barton,

Secretary to the Commission.

SUPPLEMENTARY INFORMATION: Section 337 of the Tariff Act of 1930 ("Section 337") provides that if the Commission finds a violation it shall exclude the articles concerned from the United States unless the public interest factors listed in 19 U.S.C. 1337(d)(1) prevent such action. A similar provision applies to cease and desist orders. 19 U.S.C. 1337(f)(1).

The Commission is soliciting comments on public interest issues raised by the recommended relief should the Commission find a violation, specifically: (1) Limited exclusion orders ("LEOs") directed to certain LTE- and 3G-compliant cellular communications devices imported, sold for importation, and/or sold after importation by respondents Apple Inc. of Cupertino, California; HTC Corporation of Taoyuan City, Taiwan; HTC America, Inc. of Seattle, Washington; ZTE Corporation of Guangdong, China; and ZTE (USA) Inc. of Richardson, Texas; and (2) cease and desist orders ("CDOs") against each respondent.

Comments should address whether issuance of the remedial orders in this investigation, should the Commission find a violation, would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

(i) Explain how the articles potentially subject to the recommended LEOs and CDOs are used in the United States;
