Analysis of Proposed Consent Order To Aid Public Comment

The Federal Trade Commission has accepted for public comment an Agreement Containing Consent Order with Indiana Household Movers and Warehousemen, Inc. ("IHM&W" or "Respondent"). The Agreement is for settlement purposes only and does not constitute an admission by IHM&W that the law has been violated as alleged in the Complaint or that the facts alleged in the Complaint, other than jurisdictional facts, are true.

I. The Commission's Complaint

The proposed Complaint alleges that Respondent Indiana Household Movers and Warehousemen, Inc., a corporation, has violated and is now violating section 5 of the Federal Trade Commission Act. Specifically, the proposed Complaint alleges that Respondent has agreed to engage, and has engaged, in a combination and conspiracy, an agreement, concerted action or unfair and unlawful acts, policies and practices, the purpose or effect of which is to unlawfully hinder, restrain, restrict, suppress or eliminate competition among household goods movers in the household goods moving industry.

Respondent is an association organized for and serving its members, which are approximately 70 household goods movers that conduct business within the State of Indiana. One of the primary functions of Respondent is preparing, and filing with the Indiana Department of Revenue, tariffs and supplements on behalf of its members. These tariffs and supplements contain rates and charges for the intrastate and local transportation of household goods and for related services.

The proposed Complaint alleges that Respondent is engaged in initiating, preparing, developing, disseminating, and taking other actions to establish and maintain collective rates, which have the purpose or effect of fixing, establishing or stabilizing rates for the transportation of household goods in the State of Indiana. The Respondent files uniform rates that are agreed upon by all of its members.

The proposed Complaint further alleges that Respondent organizes and conducts meetings that provide a forum for discussion or agreement between competing carriers concerning or affecting rates and charges for the intrastate transportation of household goods.
