

Committee take into account the needs of the diverse groups served by the Department. Membership shall include, to the extent practicable, individuals with demonstrated ability to represent minorities, women, and persons with disabilities. Nominees who are selected will be required to submit a Financial Disclosure form AD-755, available on-line at:

www.fsis.usda.gov/ophs/nacmcf/.

Given the complexity of issues, the full Committee expects to meet at least once yearly and the meetings will be announced in the **Federal Register**. The subcommittees will meet as frequently as deemed necessary by the chairperson and will be held as working group meetings in an open public forum. The subcommittee meetings will not be announced in the **Federal Register**. FSIS will announce the agenda and subcommittee working group meetings through the Constituent Update available on-line at www.fsis.usda.gov. NACMCF holds subcommittee working groups in order to accomplish the work of NACMCF; all work accomplished by the subcommittees is reviewed and approved by the full Committee during a **Federal Register** announced public meeting of the full Committee. The subcommittee may invite technical experts to present information for consideration by the subcommittee. All data and records available to the subcommittee are expected to be available to the public at the time the full Committee reviews and approves the work of the subcommittee.

Appointment to the Advisory Committee is a two-year term; renewable for three consecutive terms. Members must be prepared to work outside of scheduled Committee and subcommittee meetings, and may require document preparation. Committee members serve on a voluntary basis; however, travel reimbursement and per diem is available.

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, in an effort to better ensure that minorities, women, and persons with disabilities are aware of this notice, FSIS will announce it and provide copies of this **Federal Register** publication both on the FSIS and NACMCF web pages and in the FSIS Constituent Update. FSIS provides a weekly FSIS Constituent Update, which is communicated via fax to over 300 organizations and individuals. In addition, the update is available on-line through the FSIS web page located at <http://www.fsis.usda.gov>. The update is

used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, recalls, and any other types of information that could affect or would be of interest to our constituents/stakeholders. The constituent fax list consists of industry, trade, and farm groups, consumer interest groups, allied health professionals, scientific professionals, and other individuals that have requested to be included. Through these various channels, FSIS is able to provide information to a much broader, more diverse audience. For more information and to be added to the constituent fax list, fax your request to the Congressional and Public Affairs Office, at (202) 720-5704.

Rural Housing Service

Notice of Funds Availability (NOFA) Inviting Applications for the Rural Community Development Initiative (RCDI); Correction

AGENCY: Rural Housing Service, USDA.

ACTION: Correction.

SUMMARY: The Rural Housing Service (RHS) is correcting a notice published April 3, 2002 (67 FR 15777-15786). This action is taken to correct the omission of a comma in the definition of an intermediary. This omission limited the groups eligible to be an intermediary. This correction will carry out the intent of the statutory language. This action is also taken to correct the documentation required for a nonprofit organization to

prove their nonprofit status. The original notice required a 501(c)(3) letter from the Internal Revenue Service (IRS) designating their nonprofit status. This correction will allow nonprofit organizations to provide a letter from IRS, a Certificate of Good Standing from the Secretary of State where the entity is located, or other valid documentation of their nonprofit status.

Accordingly, the notice published April 3, 2002 (67 FR 15777-15786) is corrected as follows:

On page 15778, in the first column, in the seventh paragraph under the heading "Definitions for RCDI Purposes," the definition for "Intermediary" should read "*Intermediary*—a qualified private, nonprofit or public (including tribal) organization that provides financial and technical assistance to multiple recipients. The applicant entity must have been organized for a minimum of three years."

On page 15778, in the second column, in the second paragraph, the definition for "Nonprofit organization" should read "*Nonprofit organization*—a private, community-based housing or community development entity with evidence of their nonprofit status. Examples of valid documentation of nonprofit status include, but are not limited to, a letter from the Internal Revenue Service (IRS) or a Certificate of Good Standing from the Secretary of State where the entity is located."

On page 15778, in the second column, under the heading "Eligibility Requirements," number "4" should read "4. Documentation must be submitted to verify recipient eligibility. Acceptable documentation varies depending on the type of recipient: a letter from the IRS, Certificate of Good Standing from the Secretary of State, or other valid documentation of nonprofit status is required for nonprofit recipients; for low-income community recipients, the Agency needs (a) evidence that the entity is a public body and (b) census data verifying that the median household income of the community, where the office receiving the financial and technical assistance is located, is at, or below, 80 percent of the state or national median household income; for federally recognized tribes, the Agency needs the page listing their name from the current **Federal Register** list of tribal entities recognized and eligible for funding services (see the definition of federally recognized tribes for details on this list).

On page 15778, in the third column, number "14" should read "14. A nonprofit recipient must provide evidence that they are a valid nonprofit

when the intermediary applies for the RCDI grant. Organizations with pending requests for nonprofit designations are not eligible."

On page 15779, in the third column, under the heading "Application Selection Process," number "2" should read "2. Applicants failed to provide evidence of recipient's status (e.g., documentation supporting nonprofit designation)."

On page 15782, in the third column, number "7.a." should read "a. Nonprofits—provide a valid letter from the IRS, Certificate of Good Standing from the Secretary of State, or other valid documentation of nonprofit status."

Dated: May 3, 2002.

Administrator, Rural Housing Service.
