AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on certain stilbenic optical brightening agents (OBAs) from Taiwan. The period of review (POR) is May 1, 2014, through April 30, 2015. The review covers one producer/exporter of the subject merchandise, Teh Fong Ming International Co., Ltd. (TFM). We preliminarily find that TFM has sold subject merchandise at less than normal value. Interested parties are invited to comment on these preliminary results.

SUPPLEMENTARY INFORMATION:

Scope of the Order

The merchandise subject to the Order¹ is OBAs and is currently classifiable under subheadings 3204.20.8000, 2933.69.6050, 2921.59.4000 and 2921.59.8090 of the Harmonized Tariff Schedule of the United States (HTSUS). While the HTSUS numbers are provided for convenience and customs purposes, the

written product description remains dispositive.²

Methodology

In accordance with sections 776(a) and (b) of the Tariff Act of 1930, as amended (the Act), we relied on facts available with an adverse inference with respect to TFM, the sole company in this review. For a full description of the methodology underlying our conclusions, see Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov> and to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the Internet at <http://enforcement.trade.gov/frn/index.html>.

Preliminary Results of Review

As a result of this review, we preliminarily determine that a weighted-average dumping margin of 6.19 percent exists for TFM for the period May 1, 2014, through April 30, 2015.

electronically filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.⁵ Requests should contain (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. The Department intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Assessment Rates

Upon completion of the administrative review, the Department shall determine and U.S. Customs and Border Protection (CBP) shall assess antidumping duties on all appropriate entries covered by this review. For the final results, if we continue to rely on adverse facts available to establish TFM's weighted average dumping margin, we will instruct CBP to apply an *ad valorem* assessment rate of 6.19 percent to all entries of subject merchandise during the POR which were produced and/or exported by TFM.

We intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of OBAs from Taiwan entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for TFM will be equal to the weighted-average dumping margin established in the final results of this administrative review; (2) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the manufacturer is, the cash deposit rate will be the rate established for the manufacturer of the merchandise for the most recently completed segment of this proceeding; (3) the cash deposit rate for all other manufacturers or exporters will continue to be 6.19 percent.⁶ These cash deposit requirements, when imposed,

shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h)(1).

Dated: February 19, 2016.

Ronald K. Lorentzen,

Acting Assistant Secretary for Enforcement and Compliance.
