#### **Notice of Extension of Final Results of the 2004-2005 Administrative Review of Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, from the People's Republic of China**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** November 16, 2006.

**FOR FURTHER INFORMATION CONTACT:**

Eugene Degnan or Robert Bolling, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington DC 20230; telephone: (202) 482-0414 and (202) 482-3434, respectively.

**SUPPLEMENTARY INFORMATION:**

#### **Background**

On July 14, 2006, the Department published its preliminary results. *See Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, from the People's Republic of China: Preliminary Results of 2003-2004 Antidumping Administrative Review, and Notice of Intent to Rescind in Part*, 71 FR 40069 (July 14, 2006) ("Preliminary Results"). In the *Preliminary Results* we stated that we would make our final determination for the antidumping duty review no later than 120 days after the date of publication of the preliminary results (*i.e.*, November 11, 2006).

#### **Extension of Time Limit for Final Results**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department of Commerce ("the Department") to issue the final results in an administrative review within 120 days of publication date of the preliminary results. However, if it is not practicable to complete the review

within this time period, the Department may extend the time limit for the final results to 180 days. Completion of the final results within the 120-day period is not practicable because this review involves certain complex issues, such as a tariff classification and surrogate financial ratios that both Petitioner and respondent addressed in their briefs.

Therefore, in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), the Department is partially extending the time period for issuing these final results of review by 30 days until December 11, 2006.

Dated: November 7, 2006.

**Stephen J. Claeys,**

*Deputy Assistant Secretary for Import Administration.*

### International Trade Administration

#### **Environmental Technologies Trade Advisory Committee (ETTAC), Request for Nominations**

**AGENCY:** International Trade Administration, Trade Development, Commerce.

**ACTION:** Notice.

**SUMMARY:** The Environmental Technologies Trade Advisory Committee (ETTAC) was established pursuant to provisions under Title IV of the Jobs Through Trade Expansion Act, 22 U.S.C. 2151, and under the Federal Advisory Committee Act, 5 U.S.C. App. 2. ETTAC was first chartered on May 31, 1994. ETTAC serves as an advisory body to the Environmental Trade Working Group of the Trade Promotion Coordinating Committee (TPCC), reporting directly to the Secretary of Commerce in his capacity as Chairman of the TPCC. ETTAC advises on the development and administration of policies and programs to expand United States exports of environmental technologies, goods, and services and products that comply with United States environmental, safety, and related requirements.

Membership in a committee operating under the Federal Advisory Committee Act must be balanced in terms of economic subsector, geographic location, and company size. Committee members serve in a representative capacity, and must be able to generally represent the views and interests of a certain subsector of the U.S. environmental industry. We are seeking senior executive-level company or

environmental technologies association candidates. Members of the ETTAC have experience in exporting the full range of environmental technologies products and services including:

- (1) Air Pollution Control/Monitoring Equipment;
- (2) Analytic Services;
- (3) Environmental Energy Sources;
- (4) Environmental Engineering and Consulting Services;
- (5) Financial Services;
- (6) Process and Prevention Technologies;
- (7) Solid and Hazardous Waste Equipment and Management;
- (8) Water and Wastewater Equipment and Services.

The Secretary of Commerce invites nominations to ETTAC of U.S. citizens who will represent U.S. environmental goods and services companies that trade internationally, or trade associations whose members include U.S. companies that trade internationally. Companies must be at least 51 percent beneficially-owned by U.S. persons. U.S.-based subsidiaries of foreign companies in general do not qualify for representation on the committee.

Nominees will be considered based upon their ability to carry out the goals of ETTAC's enabling legislation as further articulated in its charter. ETTAC's Charter is available on the internet at <http://www.environment.ita.doc.gov>. Priority will be given to a balanced representation in terms of point of view represented by various sectors, product lines, firm sizes, and geographic areas. Appointments are made without regard to political affiliation.

Nominees must be U.S. citizens, representing U.S. environmental goods and services firms that trade internationally or provide services in direct support of the international trading activities of other entities.

Self-nominations are accepted. If you are interested in nominating someone to become a member of ETTAC, please provide the following information (2 pages maximum):

- (1) Name;
- (2) Title;
- (3) Work phone; fax; and, email address;
- (4) Company or trade association name and address including Web site address;
- (5) Short bio of nominee including credentials;
- (6) Brief description of the company or trade association and its business activities; company size (number of employees and annual sales); and export markets served.

Please, do not send company or trade association brochures or any other information.

This information may be e-mailed to [ellen.bohon@mail.doc.gov](mailto:ellen.bohon@mail.doc.gov), or faxed to the attention of Ellen Bohon at 202-482-5665, and must be received before the deadline. Nominees selected to ETTAC will be notified.

**Deadline:** This request will be open until November 24, 2006, from the date of publication in the **Federal Register**.

**FOR FURTHER INFORMATION CONTACT:**

Ellen Bohon, Office of Environmental Technologies Industries, Room 4053, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; phone 202-482-0359; fax 202-482-5665; e-mail [Ellen.Bohon@mail.doc.gov](mailto:Ellen.Bohon@mail.doc.gov).

Dated: November 9, 2006.

**Joseph O. Neuhoﬀ, III,**

Director, Office of Energy and Environmental Industries.

## DEPARTMENT OF COMMERCE

(C-580-851)

### Dynamic Random Access Memory Semiconductors from the Republic of Korea: Extension of Time Limit for Final Results of Countervailing Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** November 16, 2006.

**FOR FURTHER INFORMATION CONTACT:**

Andrew McAllister at (202) 482-1174 or Julie Santoboni at (202) 482-4194; AD/CVD Operations, Office 1, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

**SUPPLEMENTARY INFORMATION:**

#### Background

On September 28, 2005, the Department of Commerce (the Department) published a notice of initiation of administrative review of the countervailing duty order on dynamic random access memory semiconductors (DRAMs) from the Republic of Korea, covering the period January 1, 2004 through December 31, 2004. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 70 FR 56631. On January 12, 2006, the petitioner, Micron Technology, Inc., alleged that the respondent, Hynix Semiconductor, Inc., received new

subsidies. The Department published the preliminary results of this administrative review on August 11, 2006. See *Dynamic Random Access Memory Semiconductors from the Republic of Korea: Preliminary Results of Countervailing Duty Administrative Review*, 71 FR 46192.

#### Statutory Time Limits

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to issue the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested and the final results of review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend these deadlines to a maximum of 365 days and 180 days, respectively.

#### Extension of Time Limits for Final Results

This administrative review is extraordinarily complicated due to the complexity of the countervailable subsidy practices alleged in the new subsidy allegations. Because the Department requires additional time to review and analyze arguments raised by interested parties in their case and rebuttal briefs, it is not practicable to complete this review by the original deadline of December 9, 2006. Therefore, the Department is extending the time limit for completion of the final results to not later than February 7, 2007, in accordance with section 751(a)(3)(A) of the Act.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: November 8, 2006.

**Stephen J. Claeys,**

Deputy Assistant Secretary for Import Administration.

## DEPARTMENT OF COMMERCE

### National Oceanic and Atmospheric Administration

[I.D. 101706B]

### Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Snapper and Grouper Off the Southern Atlantic States

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and

Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notice of receipt of an application for an exempted fishing permit; request for comments.

**SUMMARY:** NMFS announces the receipt of an application for an exempted fishing permit (EFP) from the Gulf and South Atlantic Fisheries Foundation, Inc. If granted, the EFP would authorize the applicants, with certain conditions, to collect limited numbers of undersized and out-of-season snapper and grouper in South Atlantic Federal waters. This study is intended to characterize catch and discard mortality within the South Atlantic commercial hook and line snapper-grouper fishery.

**DATES:** Comments must be received no later than 5 p.m., eastern time, on December 18, 2006.

**ADDRESSES:** You may submit comments on the application by any of the following methods:

- E-mail: [Steve.Branstetter@noaa.gov](mailto:Steve.Branstetter@noaa.gov). Include in the subject line of the e-mail comment the following document identifier: "FND EFP".

- Mail: Steve Branstetter, Southeast Regional Office, NMFS, 263 13<sup>th</sup> Avenue South, St. Petersburg, FL 33701.

- Fax: 727-824-5308.

The application and related documents are available for review upon written request to any of the above addresses.

**FOR FURTHER INFORMATION CONTACT:**

Steve Branstetter, 727-824-5305; fax: 727-824-5308; e-mail:

[Steve.Branstetter@noaa.gov](mailto:Steve.Branstetter@noaa.gov).

**SUPPLEMENTARY INFORMATION:** The EFP is requested under the authority of the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1801 *et seq.*), and regulations at 50 CFR 600.745(b) concerning exempted fishing.

The described research is part of a Cooperative Research Program Grant (Cooperative Agreement No. NA06NMF4540059). The Cooperative Research Program is a means of involving commercial and/or recreational fishermen in the collection of fundamental fisheries information. Resource collection efforts support the development and evaluation of fisheries management and regulatory options.

The proposed collection for scientific research involves activities otherwise prohibited by regulations implementing the Fishery Management Plan for the Snapper-Grouper Fishery of the South Atlantic Region. The applicants require authorization to harvest and possess undersized and out-of-season snapper and grouper for scientific research
