Agricultural Marketing Service

[Doc. No. AMS-FV-14-0104; FV-15-332]

Notice of Request for New Information Collection

AGENCY: Agricultural Marketing Service, USDA.

ACTION: Notice of request for new information.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), this notice announces the Agricultural Marketing Service's (AMS) intention to request approval, from the Office of Management and Budget, for NEW information collection for the Fruit and Vegetable Specialty Crops Inspection Division.

DATES: Comments on this notice must be received by September 28, 2015 to be assured of consideration.

Additional Information or Comments: Contact ToiAyna Thompson, Management Support Staff, Specialty Crops Inspection Division, Fruit and Vegetable Programs, U.S. Department of Agriculture, STOP 0247, 1400 Independence Ave. SW., telephone: (202) 720-0867 and FAX: (202) 690-3824; or Internet: <http://www.regulations.gov>.

SUPPLEMENTARY INFORMATION: Upon approval of this collection we will submit a request to merge this collection into the 0581-0125 Regulations Governing Inspection Certification of Fresh & Processed Fruits, Vegetables & Other Products 7 CFR part 51 & 52, approved on 8/16/2013.

Title: Specialty Crops Inspection Division Order Forms.

OMB Number: 0581-NEW.

Expiration Date of Approval: 3 years from approval.

Type of Request: New Information Collection with intent to merge with 0581-0125.

Abstract: The Agricultural Marketing Act of 1937, (7 U.S.C. 1621-1627) as amended authorizes the Agricultural Marketing Service, Specialty Crops Inspection Division to provide inspection and certification of the quality and condition of agricultural products. Specialty Crops Inspection Division provides a nationwide inspection, grading, and auditing service for fresh and processed fruits, vegetables and other products to shippers, importers, processors, sellers, buyers, and other financially interested parties on a "user fee" basis. The use of services is voluntary and is made available only upon request or when specified by some special program or contract. Information is needed to carry out the inspection, grading, or auditing services. Such information includes; the name and location of the person or company requesting services, the type and location of the product to be inspected, the type of inspection being requested, information that will identify the product or type and scope of audit requested. Upon approval AMS will request a merge for this NEW collection into the currently approved 0581-0125. Merging the Collections will enable the Division to more efficiently manage the collection and prevent duplication of burden.

This is a request for approval and subsequent merger of FV-380 Order Form for USDA SCI Division Inspection Equipment and Miscellaneous Items, FV-387 SCI Alternate Payment Application, and FV-357 Notification of Entry to the information collection. These forms are authorized under the Agricultural Marketing Act of 1946, as amended (7 U.S.C. 1621 *et seq.*) The FV-380 and FV-387 are used by the Federal, Federal/State partners, and members of the industry to order equipment and other miscellaneous items from SCI Division's supply depot. The FV-357 form is a notification of entry of imported products covered under Section 8e, of the Agricultural Marketing Agreement Act of 1937. This notification of entry form addresses products such as fresh and processed fruits, vegetables, nuts, and specialty crops. It notes the port of entry and the type of inspection (quality and condition) required for the products.

SUPPLEMENTARY INFORMATION:

Title: USDA/1890 National Scholars Program Application.

OMB Number: 0503-0015.

Expiration Date of Approval: August 31, 2015.

Type of Request: Extension of a currently approved information collection.

Abstract: The USDA/1890 National Scholars Program is a joint human capital initiative between the U.S. Department of Agriculture (USDA) and the 1890 Historically Black Land-Grant Universities. Through the 1890 Program, USDA offers scholarships to high school and college students who are seeking a bachelor's degree in the fields of agriculture, food, or natural resource sciences and related disciplines at 1890 Land-Grant Universities. In order for graduating high school students and current freshman and sophomores to be considered for the scholarship, a completed application is required. The first section of the high school application requests the applicant to include biographical information (*i.e.* name, address, age, etc.); educational background information (*i.e.* grade point average, test scores, name of university(ies), interested in attending, and desired major); and extracurricular activities. The second section of the application is completed by the student's guidance counselor and requests information pertaining to the student's academic status, grade point average, and test scores. The last section of the application, which is to be completed by a teacher, provides information that assesses the applicant's interests, habits, and potential. Two letters of recommendation must be

submitted on behalf of the applicant. The letters may be from a Department Head, Dean of a College, or one of the University Vice Presidents or a College Professor for college-level applicants; and the Principal, Assistant Principal, Career Counselor, Guidance Counselor, or a Teacher for high school applicants. There are no sections included in the application that these individuals will need to complete.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 1 hour per response.

Respondents: High School Students, Freshman, and Sophomore College Students, Teachers, and Guidance Counselors.

Estimated Number of Respondents: 2,400 (600 applications).

Estimated Number of Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: 7,200 hours.

Comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the Agency's estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology. Comments may be sent to Mary Jordan, USDA/1890 National Scholars Program Coordinator, U.S. Department of Agriculture, 1400 Independence Avenue SW., 520-A, Whitten Building, Washington, DC 20250. All comments received will be available for public inspection during regular business hours at the same address. All responses to this notice will be summarized and included in the request for OMB approval. All comments will become a matter of public record.
