

Number 2900–0556. In addition, 2900–0556 now includes the collection of a “Close Personal Friend Statement” for incapacitated Veterans who have not completed an Advance Directive and are in need of health care. When a Veteran is incapacitated and does not have an Advance Directive, the VA regulations allow a statement to be submitted from a “Close Personal Friend” who will be responsible for making health care decisions on behalf of the Veteran. It is estimated that 300 such statements will be collected annually. VA seeks to renew the PRA clearance for the information collection under OMB Control Number 2900–0556.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The **Federal Register** Notice with a 60-day comment period soliciting comments on this collection

of information was published at 88 FR 241 on December 18, 2023, page 87500.
