

and Final Results and Partial Rescission of the Third Antidumping Duty Administrative Review, 68 FR 41304 (July 11, 2003), and accompanying Issues and Decision Memorandum. The weight given to each factor investigated will depend on the circumstances surrounding the sale. See *TTPC*, 366 F. Supp. 2d at 1263.

As discussed in detail in the Department's Rescission Memo, the Department has determined that the new shipper sale made by Xinan PRC was not *bona fide* because of: 1) inconsistencies between the prices charged and the quantities sold by Xinan USA for the single POR sale and all subsequent sales made by Xinan USA during the POR from the PRC; 2) the circumstances surrounding payment for the expenses associated with the single POR sale; and 3) inconsistencies regarding the sales process followed by Xinan USA for the POR sale. Since the Department is rescinding this new shipper review, we are not calculating a company-specific rate for Xinan, and Xinan will remain part of the PRC-wide entity.

Notification

The Department will notify U.S. Customs and Border Protection that bonding is no longer permitted to fulfill security requirements for shipments by Xinan PRC of honey from the PRC entered, or withdrawn from warehouse, for consumption in the United States on or after the publication of this rescission notice in the **Federal Register**, and that a cash deposit of 183.80 percent *ad valorem* should be collected for any entries exported by Xinan PRC.

This notice also serves as the only reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return/destruction of APO material or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanctions.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(2)(B) and 777(i) of the Act.

Dated: October 3, 2005.

Joseph A. Spetrini,
Acting Assistant Secretary for Import Administration.

AGENCY: National Oceanic and Atmospheric Administration (NOAA).

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

DATES: Written comments must be submitted on or before December 12, 2005.

ADDRESSES: Direct all written comments to Diana Hynek, Departmental Paperwork Clearance Officer, Department of Commerce, Room 6625, 14th and Constitution Avenue, NW., Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument and instructions should be directed to Steven J. Koplin, F/ST1, Room 12456, 1315 East West Highway, Silver Spring, MD 20910-3282, 301-713-2328 or steve.koplin@noaa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

NOAA, on an annual basis, collects information from seafood and industrial fishing processing plants on the volume and value of their fishery products and their monthly employment figures. Monthly, NOAA collects information on the production of fish meal and oil. NOAA uses the information gathered in the economic and social analyses used when proposing and evaluating fishery management actions.

II. Method of Collection

In the current survey, NOAA Fisheries provides each processor a preprinted form that includes the products produced by the company in the previous year. The processor only needs to fill in the quantities and any new products, before returning the form every year. Processors have the option to use a web-based application that allows them to submit the data electronically.
