

Type of Review: Extension of a currently approved collection.

Respondents: Business or other for-profit and Not-for-profit institutions.

Number of Respondents and Responses: 26,000 respondents; 26,000 responses.

Estimated Time per Response: 0.75 hours.

Frequency of Response: On occasion reporting requirements.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 U.S.C. 151–154 and 254 the Communications Act of 1934, as amended.

Total Annual Burden: 19,500 hours.

Total Annual Cost: No cost.

Needs and Uses: One of the functions of the Universal Service Administrative Company (USAC) is to provide a means for the billing, collection and disbursement of funds for the universal service support mechanisms. On October 1998, the OMB approved FCC Form 498, the “Service Provider Information Form” to enable USAC to collect service provider name and address, telephone number, Federal Employer Identification Number (EIN), contact names, contact telephone numbers, and remittance information. FCC Form 498 enables participants to request a Service Provider Identification Number (SPIN) and provides the official record for participation in the universal service support mechanisms. The remittance information provided by participants on FCC Form 498 enables USAC to make payments to participants in the universal service support mechanisms.

Pursuant to 47 CFR 54.202, 54.301, 54.303, 54.307, 54.309, 54.311, 54.504, 54.407, 54.422, 54.514, 54.515, 54.679, 54.702, 54.802, and 54.902, USAC collects service provider name, phone numbers, other contact information, and remittance information for all four of the universal service support mechanisms—Schools and Libraries, Rural Health Care, High-Cost and Low-Income (commonly referred to as Lifeline). On July 23, 2014, the Commission released an Order and FNPRM (WC Docket No. 13–184, FCC 14–99; 79 FR 49160, August 19, 2014) (*E-rate Modernization Order*) modernizing the E-rate program. Specifically, the *E-rate Modernization Order* revised the Commission rules to allow an applicant that pays the full cost of the Schools and Libraries (E-rate) supported services to a service provider to receive direct reimbursement from USAC.

The Digital Accountability and Transparency Act (DATA Act) directs Federal agencies to report financial

obligations and standardize the information that recipients of federal funds report to government agencies. To comply with the DATA Act, the DATA Act Business Type is reported on FCC Form 498. When completing or updating this form, service providers and billed entities are required to select up to three business types that best describes the organization.

The Commission’s Public Notice released April 6, 2022 announced the transition from using the Data Universal Numbering System Number (DUNS) to a Unique Entity Identifier (UEI) for *SAM.GOV*.

Federal Communications Commission.

Katura Jackson,

Federal Register Liaison Officer.

GENERAL SERVICES ADMINISTRATION

[Notice—MG–2024–03; Docket No. 2024–0002; Sequence No. 35]

Office of Federal High-Performance Green Buildings; Green Building Advisory Committee; Notification of Upcoming Public Meetings

AGENCY: Office of Government-wide Policy, General Services Administration (GSA).

ACTION: Meeting notice.

SUMMARY: In accordance with the requirements of the Federal Advisory Committee Act, as amended, this notice provides the agenda for three separate open public meetings of the Green Building Advisory Committee (GBAC or the Committee). The meetings are open to the public to observe and will be held either entirely online or include an online option. Online attendees are required to register in advance to attend as instructed below.

DATES: The Committee plans the following three meetings.

- **GBAC August 13th Public Meeting:** GSA’s Green Building Certification System (GBCS) Review Briefing
 - Tuesday, August 13th from Noon–2 p.m. eastern time, (ET) (Virtual Only via Zoom)
- **GBAC September 26th Public Meeting:** Artificial Intelligence (AI) and Federal Buildings
 - Thursday, September 26th from 11:30 a.m.–3:30 p.m. ET (Virtual Only via Zoom)
- **GBAC October 22nd Public Meeting:** Green Building Advisory Committee Fall Meeting
 - Tuesday, October 22nd, 10 a.m.–4

p.m., ET (Hybrid, in person and online via Zoom)

ADDRESSES: The GBAC October 22nd Public Meeting will be held at National Academies of Science, NAS Board Room, 201 Constitution Ave., Washington, DC. The other two meetings will be virtual only.

FOR FURTHER INFORMATION CONTACT: Mr. Michael Bloom, Designated Federal Officer, Office of Federal High-Performance Green Buildings, Office of Government-wide Policy, GSA, at gbac@gsa.gov or 312–805–6799. Additional information about the Committee, including meeting materials and agendas, will be made available on-line at <https://www.gsa.gov/gbac>.

SUPPLEMENTARY INFORMATION:

- **GBAC August 13th Public Meeting:** GSA’s Green Building Certification System (GBCS) Review Briefing
 - Agenda: GBCS Review Review
 - Opening & Welcome
 - GBCS brief—Bryan Stevenson; GSA
 - Discussion—GBAC Members
 - Public Comment
 - Adjourn
 - *Details:* The public meeting will consist of a briefing by GSA’s Office of Federal High-Performance Green Buildings to the Committee about the 2024 Green Building Certification System Review Findings Report (Findings Report) The Findings Report can be accessed at <https://www.gsa.gov/gbcertificationreview>. This report summarizes GSA’s formal review of six green building certification systems (BOMA BEST, BREEAM, Green Globes, LEED, Living Building Challenge, and Passive House US, Inc). These systems were assessed against a set of review criteria contained in statute that evaluate how they were developed and how the systems align with current federal green building performance requirements.
- **GBAC September 26th Public Meeting:** Artificial Intelligence (AI) and Federal Buildings
 - Agenda: AI & Federal Buildings
 - Welcome & Opening Remarks
 - AI in Operations (Panel)
 - AI in Renovations (Panel)
 - AI in New Construction (Panel)
 - Public Comment
 - Closing Remarks & Adjourn
 - *Details:* This public meeting will investigate the opportunities AI offers GSA to optimize resources and improve facility operations and consider how AI technologies can accelerate building decarbonization.
- **GBAC October 22nd Public Meeting:** Green Building Advisory Committee Fall Meeting

- Agenda GBAC Fall Meeting
- Updates and Introductions
- Ethics Review
- Buy Clean Implications Task Group: Proposed Advice Letter
- AI and Federal Buildings Update
- Health and Wellbeing in Federal Buildings Update
- New Committee Topics and Directions
- Public Comment
- Next Steps and Closing Comments
- *Details:* This public meeting will serve as an annual review of GBAC activities. Members will have the opportunity to ask questions about ongoing Task Group work and suggest future topics they wish to investigate.

Procedures for Attendance and Public Comment

To register to observe any or all of these public meetings, please send the following information via email to gbac@gsa.gov: your first and last name, organization and email address, the meeting(s) you wish to attend, and whether you would like to provide public comment.

Requests to observe meetings must be received by 5 p.m. ET on the Tuesday before the meeting in question.

For all online meetings, web meeting attendance information will be provided following registration. Time will be provided at all meetings for public comment wherever possible.

GSA will be unable to provide technical assistance to any listener experiencing technical difficulties. Testing access to the web meeting site before the calls is recommended. To request an accommodation, such as closed captioning, or to ask about accessibility, please contact Mr. Bloom at gbac@gsa.gov at least five business days prior to the meeting to give GSA as much time as possible to process the request.

Background

The Administrator of GSA established the Committee on June 20, 2011 (76 FR 35894) pursuant to section 494 of the Energy Independence and Security Act of 2007 (EISA, 42 U.S.C. 17123). Under this authority, the Committee provides independent policy advice and recommendations to GSA to advance Federal building innovations in planning, design, and operations to reduce costs, enable agency missions, enhance human health and

performance, and minimize environmental impacts.

Kinga Hydras,

Acting Director, Office of Federal High-Performance Green Buildings, General Services Administration.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

[30Day–24–0943]

Agency Forms Undergoing Paperwork Reduction Act Review

In accordance with the Paperwork Reduction Act of 1995, the Centers for Disease Control and Prevention (CDC) has submitted the information collection request titled “Data Collection for the Residential Care Community and Adult Day Service Center Components of the National Post-acute and Long-term Care Study” to the Office of Management and Budget (OMB) for review and approval. CDC previously published a “Proposed Data Collection Submitted for Public Comment and Recommendations” notice on May 7, 2024 to obtain comments from the public and affected agencies. CDC did not receive comments related to the previous notice. This notice serves to allow an additional 30 days for public and affected agency comments.

CDC will accept all comments for this proposed information collection project. The Office of Management and Budget is particularly interested in comments that:

- (a) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (b) Evaluate the accuracy of the agencies’ estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- (c) Enhance the quality, utility, and clarity of the information to be collected;
- (d) Minimize the burden of the collection of information on those who are to respond, including, through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology,

e.g., permitting electronic submission of responses; and

(e) Assess information collection costs.

To request additional information on the proposed project or to obtain a copy of the information collection plan and instruments, call (404) 639–7570. Comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function. Direct written comments and/or suggestions regarding the items contained in this notice to the Attention: CDC Desk Officer, Office of Management and Budget, 725 17th Street NW, Washington, DC 20503 or by fax to (202) 395–5806. Provide written comments within 30 days of notice publication.

Proposed Project

Data Collection for the Residential Care Community and Adult Day Service Center Components of the National Post-acute and Long-term Care Study (OMB Control No. 0920–0943 Exp. 07/31/2025)—Revision—National Center for Health Statistics (NCHS), Centers for Disease Control and Prevention (CDC).

Background and Brief Description

The NPALS is designed to: (1) broaden NCHS’ ongoing coverage of paid, regulated long-term care (LTC) providers; (2) present alongside existing administrative data on LTC providers and service users (*i.e.*, Centers for Medicare and Medicaid Services (CMS) data on inpatient rehabilitation facilities and patients, long-term care hospitals and patients, nursing homes and residents, home health agencies and patients, and hospices and patients); (3) update data more frequently on LTC providers and service users for which nationally representative administrative data do not exist; and (4) enable comparisons across LTC sectors and timely monitoring of supply and use of these sectors over time.

Data will be collected from two types of LTC providers in the 50 states and the District of Columbia: 11,600 Residential Care Communities (RCC) and 5,500 Adult Day Service Centers (ADSC). Data were collected in 2012, 2014, 2016, 2018, 2020, and 2022. The data to be collected in 2024 include the basic characteristics, services, staffing, and practices of RCCs and ADSCs, and aggregate-level distributions of the demographics, selected health conditions and health care utilization,
